FAIRVIEW

SCHOOL DISTRICT

Superintendent's Message

The Fairview School District develops a theme each year that we encourage students and teachers to embrace. Last year's theme was one of service, *"If not me, who? If not now, when?"* With this, we asked our entire school community to give back and to offer time and resources to enhance the Fairview community. Through our efforts, over 2,100 hours of service and nearly \$40,000 was donated to local residents and nonprofit agencies in need of support.

As the photo on the cover suggests, the theme for the 2014-15 school year is "Express Gratitude." A quote by President John F. Kennedy reads, "As we express gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them." We will encourage our students, employees, and the entire Fairview Family to show appreciation for all that we have, including this terrific school and community that we are fortunate to call home. We will reach out to those who are deserving of a kind note or a simple "thank you." And we will recognize and acknowledge hard work, achievement, and scholarship.

As Fairview residents, there are so many reasons to be proud of our schools. Our beautiful 85 acre campus houses three safe and welcoming school buildings. Our athletic facilities, including Keck Field at Jack Bestwick Stadium and the Chris Batchelor Memorial Tennis Courts, are arguably the nicest in Pennsylvania. Our highly qualified faculty and staff deliver the very best standards-aligned curriculum in the area. And our administration and Board of School Directors remain focused on providing the best possible education for the students in our community.

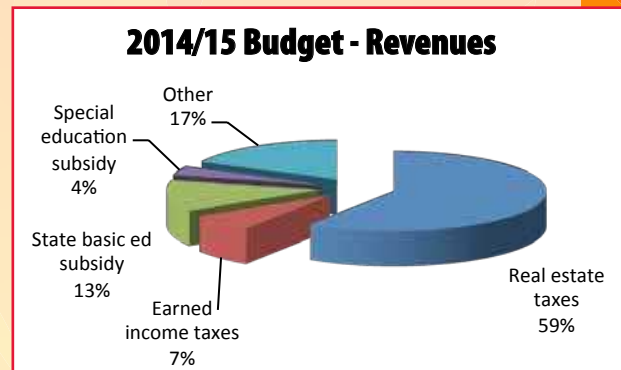

Today, more than ever before, there are a wide variety of educational options for parents and students. We are pleased that the vast majority of Fairview families choose our public schools as their child's school. Achieving excellence in academics, athletics, and the arts continues to be our mission in the Fairview Schools, and helping to develop well-rounded, 21st century learners is a responsibility that we take very seriously.

Yours in education,

Dr. Erik Kincade

BOARD OF SCHOOL DIRECTORS APPROVE THE 2014/15 GENERAL FUND BUDGET

On Monday, June 16, 2014, the Board of School Directors approved the 2014/15 general fund budget. Total revenues of about \$235 million will support the educational programs and activities from kindergarten through twelfth grade. The real estate mileage rate increased 3%, and with new construction, this source of revenue makes up 59% of total revenues. The District will use \$300 thousand of committed funds that have been saved over the last several years to help cover the anticipated increase to pension costs.

Pension funding for all districts in the state is projected to increase from about 21 cents per dollar of wage paid during this next year to just over 30 cents by 2017/18. Contributions for Fairview will increase about \$390 thousand, or 20%, for 2014/15.

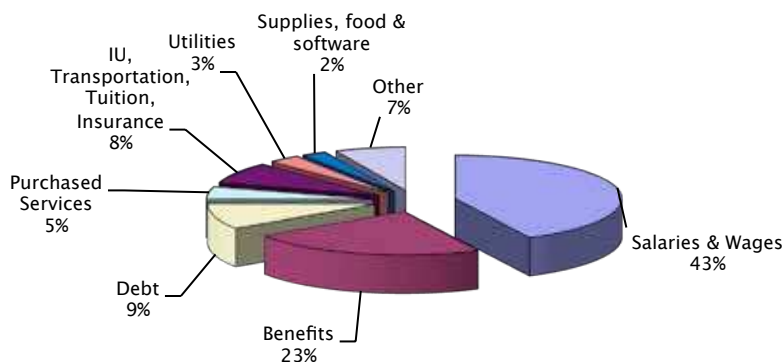

Total spending of about \$235 million includes funding for new curriculum and technology of about \$250 thousand.

Personnel costs including wages and benefits make up a significant part of total spending at 66%. Seven new teachers have been hired to replace retirements and resignations.

Transportation and teacher substitute services have been contracted for the new year. Durham School Services will provide transportation and Kelly Services will take care of filling teacher absences.

In addition to the general fund, the School Board approved funding for capital projects of about \$660 thousand, retirement benefits of about \$255 thousand, and food service operations of about \$637 thousand. Funds will continue to be set aside in the Capital Projects fund in anticipation of a renovation to the high school in several years.

Curriculum Changes Slated for 14-15

Despite the overall success in the Fairview School District, school officials are constantly reviewing curriculum and course offerings to provide our students with the best possible education. Beginning this fall, Fairview Middle School and Fairview High School will see some curriculum changes that are aimed at increasing student achievement, while giving students more relevant learning opportunities.

Several years ago, Fairview Middle School added an additional math course for all students in grades 5 through 8. This “Comp Math” course offered students 50% more math instruction. Complementary Math was designed to teach “gaps” in the traditional curriculum,

explore difficult concepts in greater depth, and better prepare students for standardized tests. Although this extra math time has proven successful, having two math teachers has not been an ideal solution for all learners. The change for 14-15 will still offer students the additional math instruction, but the schedule will now allow the same instructor to teach the entire course. Director of Curriculum, Justin Zona, stated, “Having one teacher for math accomplishes several things. Not only will students have only one math curriculum to follow, but our teachers will have more opportunity to get to know each student to better differentiate instruction.”

The FMS Language Arts program will follow a similar path this school year. Traditionally, students have taken separate Reading and Writing courses with two different teachers. Students will now have one instructor for English Language Arts (ELA). The ELA class will combine reading and writing to allow for a more efficient

integration of language arts. This change will better align to the PA Core and will give students the opportunity to write about the text they are reading.

Fairview High School students will be introduced to a new class in the fall as well. A career class, Post-Secondary Planning, will expose 11th grade students to career clusters and allow them to explore various vocations. The course will give students some of the knowledge and skills necessary to explore post-secondary possibilities and continue to prepare them to function in our computer driven world.

In concert with our mission statement, a change in the graduation requirements at FHS will require all 9th graders to take an Arts elective. This change is effective for the graduating class of 2018. The goal of the change is to expose all Fairview students to the superior Arts classes at FHS and develop well-rounded students.

PHILOSOPHY

In keeping with the mission and vision of the Fairview School District, the purpose of the Fairview School Foundation is to help students by supporting the improvement and enhancement of current and new programs through community financial support. To help achieve these ends, the Fairview School Foundation should encourage community support of this organization.

FAIRVIEW SCHOOL FOUNDATION

Annual Report 2013-14

Dear Friends of Fairview,

Thank you for your continued support! Whether it is granting scholarships to graduating seniors, financially supporting students in need, providing funding for a mini-grant request to help enrich student achievement, or assisting with campus-wide improvements, the Fairview School Foundation's primary goal is to make an impact in the Fairview School District. Your generosity helps to ensure the young people of our community will receive a meaningful education that prepares them for the future. We will continue to serve as good stewards of your investments and hope to remain worthy of your continued support.

2013-14 Mini Grants

EITC

Through the Educational Improvement Tax Credit program (EITC), businesses can make donations to educational non-profits in lieu of a portion of state tax payments (up to 90%). We use these funds to enhance our mini-grant program directly benefiting the students of Fairview. Thank you to the following businesses for their generous support through the EITC program:

Erie Bank
MacDonald Illig
PNC Bank
Scott's Court
Scott's Express
Scott's Inn 19, Inc
Scott's Resorts
Waste Management

For information on how to become an EITC donor contact the Foundation at 814/474-3535.

1. **No More Excuses, Grant Baldwin: Career Day Speaker**
Amy Vilushis (FMS)
Youth speaker, Grant Baldwin travels across the country encouraging students to build and shape their future. At FMS, Baldwin stressed that the choices students make today will influence their options available in the future.
2. **Mobile Ag. Education Science Lab**
Gina Welsh (FMS)
This lab educated students in the area of farm to table agriculture. Agriculture is Pennsylvania's #1 industry. This hands-on experience enabled students to make the connection between farms and food on the table.
3. **Inquiry Science Kits: Solids & Liquids, Balance & Motion**
Jill Bridgen (FES)
Grade 2 students learned about science through the use of hands-on materials and tools. Activities encouraged a deeper understanding of course content.
4. **Communicating Through Media**
Carrie Mummert (FMS)
FMS art students were taught to use existing art and references as a springboard to create unique art. With the assistance of the "Artist in Residence" of the Adopt-an-Artist program, students honed their artistic talents.
5. **Photography Day Lab Processing**
Nicole Daley (FHS)
This project brought the process of darkroom photography to Fairview High School without utilizing a darkroom. Students were forced to plan ahead, pay very close attention to details and directions, and navigate obstacles encountered along the way as they produced beautiful photographs.
6. **Celebrating the Arts: Mosaic**
Suzanne Lawlor (FMS)
Art students worked collaboratively to design and create a series of three mosaics representing Music, Literature, and Fine Arts. Students implemented design principles not generally covered in the standard art curriculum. Stop by the FMS Auditorium to enjoy these beautiful masterpieces!
7. **Educator Plus Poster Maker**
Kim Crotty (FHS)
The Foundation contributed towards the purchase of a Plus Poster Maker which allows students to create and print their own posters and banners. This practical tool creates professional, educational, and informational signage.

8. Buddy Bench

Ellie Tanenbaum (FES)

A “buddy bench” has been installed at the FES playground. Any student who is feeling lonely can sit on the bench. All students will be encouraged to invite anyone on the bench to play. The “Buddy Bench” will develop empathy and provide students with practical experience in handling peer relationships.

9. TREC – Therapeutic Riding

Kim McManus (FMS)

This mini grant allowed students with limitations to build a connection with horses. TREC provides students with therapeutic strategies and project based learning through the development of equine assisted activities. The program builds self esteem, knowledge, and increases community based learning.

10. Bringing Writing into Reading

Christina Costello (FMS)

Grade 7 students enjoyed a Language Arts based classroom that was conducive to reading, writing, listening, and speaking. Students were encouraged to create writing goals, work on specific concepts both one-on-one and in group settings, and provide evidence of goal achievement.

11. Utilizing Technology to Individualize Remediation

Julie Huggler (FMS)

This mini grant aided in individual remediation in Reading and Language Arts. The learning center provided materials to improve student’s skills in developing correct sentence structure, grammar usage, punctuation, capitalization, and spelling.

12. Fairview Cares

Carol Elliott (District-wide)

The Foundation contributed to the Fairview Cares Cancer awareness program which provided the entire district with cancer prevention education as well as honored those that have survived cancer. All money raised as a result of this effort was donated to the Regional Cancer Center.

Golf Outing

Each July, the Fairview School Foundation sponsors an annual golf outing at Lake Shore Country Club. This event attracts a wide variety of participants from the community and is the Fairview School Foundation’s primary fundraiser. Last year’s teams were comprised of parents, teachers, administrators, local business colleagues, alumni, families, and friends. Golfers enjoy a patio lunch, 18 holes of golf, and a delicious BBQ dinner followed by an awards ceremony.

The 2013 event raised over \$15,000 which helped to fund 12 teacher mini-grants, scholarships for graduating seniors, and miscellaneous projects throughout the district. Please join us for the 2015 golf outing which is set for Monday, July 27th. Contact Melanie Vadzemnieks at the Foundation office for details 814/474-3535.

Endowed Scholarships

FSF School Service Recognition Awards

Hayden Elliott (\$1,000), Brittany Grimm (\$1,000), and Halie Ricci (\$1,000)

Three School Service Recognition Awards based primarily on the applicant's contribution to the school district are presented annually. Recipients are selected by an independent board upon extensive review of applications.

Chris Batchelor Tennis Scholarship

Josh McMahan (\$1,500)

This scholarship is presented to a graduating member of the boy's tennis program who best exemplifies the spirit of a true team player. This award is chosen by the high school tennis coach and principal.

Mike George Award

Sean Berger (\$500)

A memorial award in Mike's honor is given to one senior who exemplifies excellence in athletics, academics, service, and leadership. This award is chosen by the high school faculty.

Barbara F. Junker Scholarship

Sean Berger (\$440)

The considerations for this scholarship are the applicant's participation in a sport and contributions to the community. The winner of this award is chosen by an independent board upon extensive review of applications.

Julie King Memorial Scholarship

Katie Sundberg (\$1,500)

Chosen by the high school faculty, the Julie King Memorial Scholarship is annually awarded to a female graduating senior

who demonstrates scholarship, leadership, sportsmanship, and citizenship.

PATS Scholarship

Hayden Elliott (\$250)

Each year the Fairview High School Parent, Administrator, Teacher and Student Association awards a scholarship from its endowed scholarship fund.

Jane Imhoff Grunden Scholarship

Kelsey Musich (\$500)

Mrs. Grunden, a 1960 FHS graduate, was a woman of high moral character, a strong work ethic, and the desire to help others. To honor her legacy her family established this award, which is granted to a graduating senior in need of financial assistance for college.

Coach Bowen and Coach Harayda Scholarship

Kiera Doleski (\$400)

Many people and events impact our lives and help to determine the individuals we become. By establishing this scholarship, Don Harrison, FHS 1965 graduate, is recognizing the influence of two dedicated FHS coaches who made a significant impact on his life, Jim Bowen and Andy Harayda.

The Schell Family Engineering Scholarship

Sean Berger (\$1,000)

The Schell family has resided in Fairview for over 25 years and their children were educated in the Fairview School District. They decided to establish The Schell Family Engineering Scholarship as a way to give back to the Fairview community and to inspire students to pursue a career in engineering.

Named Scholarships

Avis McClintock Award

Montana Sertz (\$100)

Started by two former students of Mrs. McClintock's, a high school English teacher from 1955 to 1992, this award is given in honor of her love of reading and books. This award is chosen by the high school English department.

Michael McManus Scholarship

Sean Berger (\$300)

This award is given to a senior who wishes to pursue a career in math or engineering. This recipient must also possess the same qualities that Mike displayed; school spirit, academic excellence, a willingness to help others.

Charles "Blackie" Simonian Scholarship

Paige Haney (\$300)

This scholarship is awarded to a graduating senior who plans to further his or her education at Penn State University. The family chooses this recipient.

Fairview Football "True Tiger" Scholarship

Hunter Jageman (\$400)

This award is not based on performance in football, but rather is offered to the senior football player who exemplifies personal characteristics based on the football program's four pillars: Courage, Pride, Perseverance, and Team.

Superintendent's Extraordinary Character Award

Nicholas Samsel (\$500)

This scholarship is given to a student who demonstrates the characteristics of kindness, respect, and compassion and who makes Fairview High School a welcoming environment for all students.

Principal's Award for Integrity & Character

Hayden Elliott (\$800)

This award is presented to a student who demonstrates positive character traits such as kindness, integrity, pleasant demeanor, and is supportive of the school, community, and fellow students.

Jack Taylor Community Service Award

Sean Berger (\$500)

The family of Jack Taylor has presented this award since 1998. Mr. Taylor was a lifelong resident of Fairview and was extremely active in the community.

Fairview School District Board of Education Scholarship

Lindsay Smykowski (\$500)

The members of the Fairview School Board of Directors created this scholarship to recognize a graduating senior who demonstrates a strong personal work ethic and involvement in school and community service.

Honorariums

Parents and students honor Fairview School District employees by making gifts in their name. This year 71 support staff, teachers, and administrators were acknowledged during the holiday season, Teacher Appreciation Week, and at the end of the school year. This tax-deductible honorarium program is a wonderful way for students and parents to show appreciation to staff for their hard work and dedication. All honorees are notified when a gift is made in their name.

REMINDER FROM YOUR LOCAL FIRE DEPARTMENTS

Is your address visible on your home? If you had an emergency would emergency responders be able to find your home and drive up your driveway? Addresses should be visible from the road and once a fire apparatus has made the turn from the road onto your driveway, it will need clearance from above. This means that overhanging tree branches should be at least 12 feet above the driveway. Also make sure any electric wires that cross the driveway at any point are at least that high. Ideally, your driveway should have a 12 foot wide clearance to accommodate any vehicle that needs access.

Every second counts, is your home ready?

ACTIVITIES for CHILDREN

The Fairview Parks & Recreation Authority (FPRA) will not be holding American Red Cross Swimming lessons this fall. We are sorry for any inconvenience. Please refer to future issues of **THE VIEW** for possible class offerings.

PRIVATE SWIM LESSONS

\$10.00 for ½ hour for private
\$15.00 for ½ hour for semi-private
Call Kathy Iszkula office at 814-474-7439 to schedule lessons.

FAIRVIEW FINS SWIM CLUB

This is a conditioning and technique focused team that will cover technique training for all four competitive strokes: Freestyle (front-crawl), Backstroke (back-crawl), Breaststroke and Butterfly. While it is not required, it is highly recommended that your swimmer be familiar with at least the front-crawl and back-crawl and be able to complete 100 yards (4 lengths of the pool) with little to no stopping. Anyone interested in participating in the USA Swimming competitions should talk to coach Kathy.

Practices will be held Tuesday thru Friday, September 2 thru November 26.

Grades K-4

Day Tuesday
Date September 2 thru October 7
Time 6:00-7:00PM
Ages 5, 6 & 7 year olds
Coach Aaron Garrity, *FES Teacher*

This program will focus on basic basketball skills. A variety of different drills, activities and games will be age appropriate. The correct fundamentals will be taught while incorporating learning skills such as listening, confidence, cooperation and following directions. Please bring a basketball to the gym! A minimum of 8 children needed to hold the program and 20 maximum allowed in either time slot. Please call the FPRA office at 814-474-5077 to confirm availability.

Gaining Access to the Fairview High School Pool

To gain access to the pool, you must use the north entrance of the Fairview High School (side with the stairs). Please press the blue "POOL" button to the far left of the entrance doors. This will buzz the pool and let the instructors/lifeguards know you are there. A camera will also display you at the pool via a monitor. If the instructor/lifeguard knows you are there for swimming, they will press a button from the pool deck to release the door to let you in. If the instructor/lifeguard does not know who you are, they will call you over a speaker system and you will be able to respond. Once they verify that you have arrived for a Rec Authority swim program, they will press the button to release the door for you.
