Beautiful family home with refined style

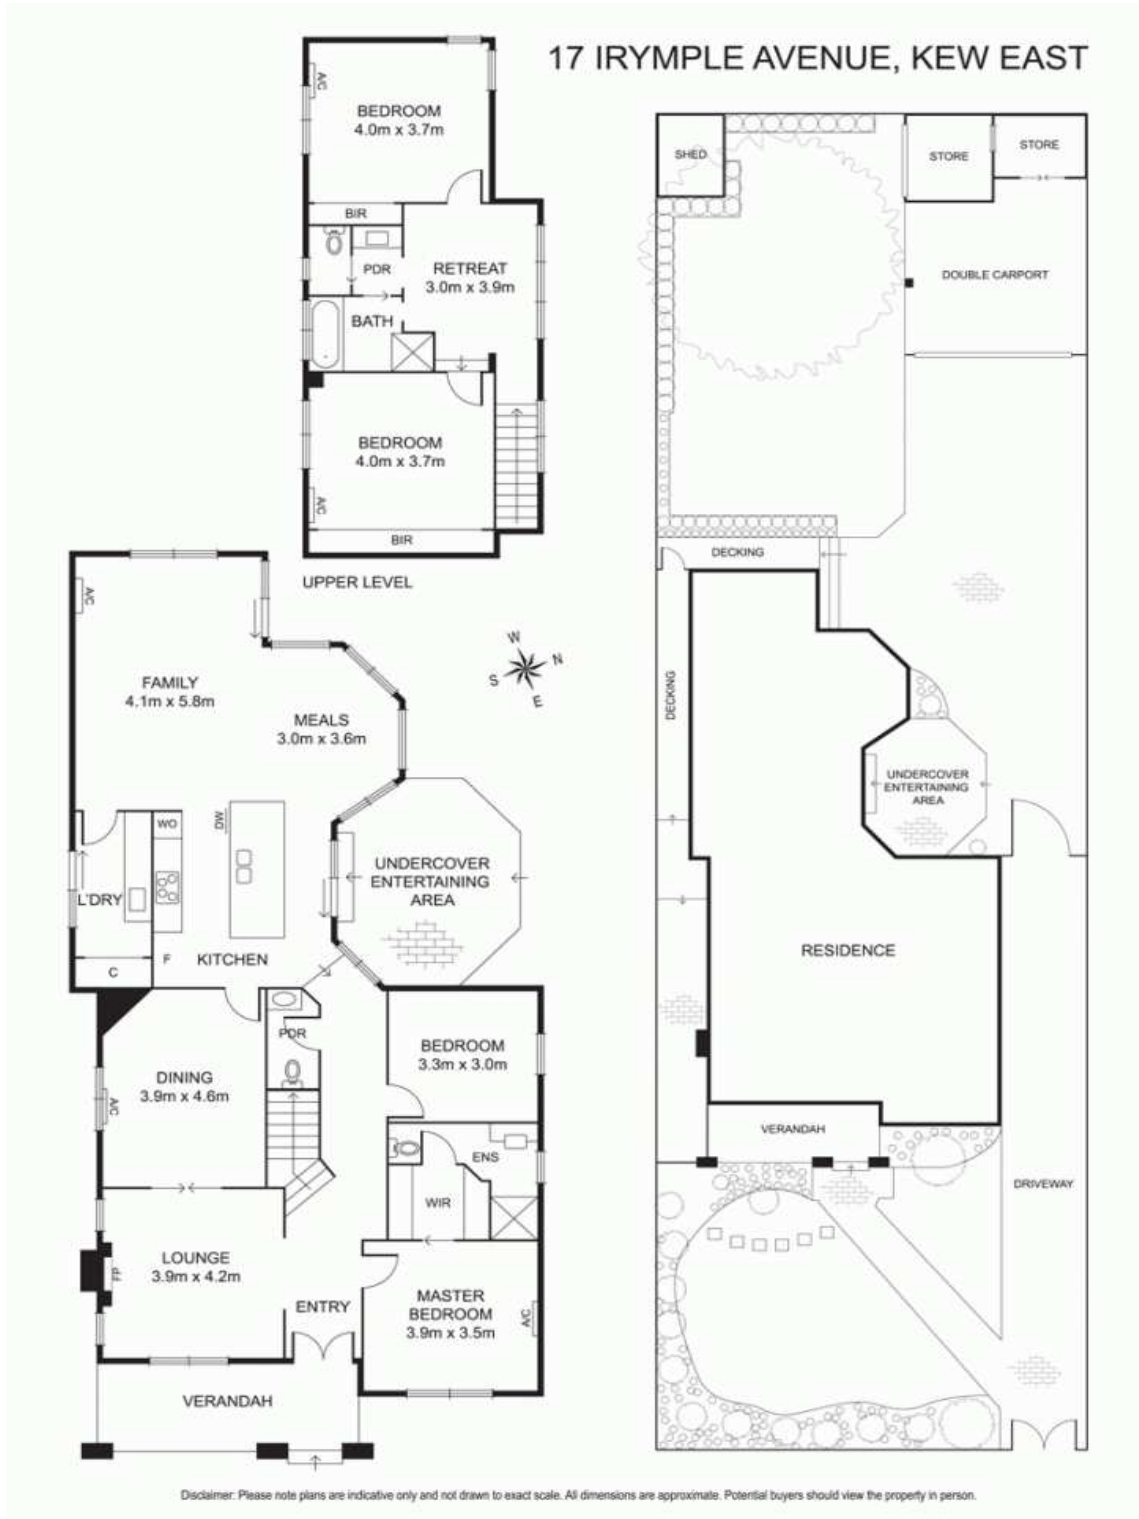

This beautiful family home has been recently renovated with an incredible sense of refined style and attention to detail. With stunning landscaped gardens all around and elegant interiors filled with high quality fittings, you will instantly discover that this is a perfect place to call home. The ground floor showcases a spacious master bedroom with walk-through robes leading to a contemporary ensuite, plus an additional double bedroom/study. While upstairs provides the ideal kids' retreat, including 2 double bedrooms with built-in robes and ceiling fans, attic storage, stylish bathroom and a living area filled with northern light. The inspiring modern kitchen is fit for a celebrity chef and features Miele oven and combi steam oven/induction stove/dishwasher/plate warmer, insinkerator, Zip Hydro Tap, Caesarstone benches and concealed Liebherr refrigeration. All entertaining and living needs are covered by a formal dining room and lounge with an open fireplace, as well as a family room and meals area adjoining the kitchen. Additional features include a butler's pantry/laundry, powder room, heated flooring in kitchen-family room/ducted central heating downstairs, 6 split-system air-conditioners, double carport/garage, and a charming alfresco area where you can relax and watch the children playing in backyard. The location lies only a short walk from cafes, trams and Kew High School. ** ID required at inspection **
