

MARQUETTE CATHOLIC HIGH SCHOOL
APPLICATION
MARY PAT WALTERS- SCHMIDT MEMORIAL SCHOLARSHIP

The Joseph Walters family has endowed a scholarship in memory of their daughter, sister and wife. The scholarship will be given to an incoming freshman at Marquette Catholic High School. The recipient must show a strong interest in the biological or physical sciences and demonstrate financial need. All applicants must produce a short and concise paper on the sciences and have the recommendation of their current elementary school science teacher. The final selection may require an interview with the scholarship committee. If interviews are necessary, the finalists will be notified of the interview date which will take place in the spring.

Scholarship applicants must:

- Demonstrate financial need by completing the FACTs Grant & Aid Online Assessment
- Submit a scholarly paper on a science subject
- Provide a recommendation from your current school science teacher
