Parent Names _____

Parent E-mail _____

Because of the nature of the project and the fact that students will be working along side many professionals from the aerospace industry that have made significant commitments in order to support the program, it is imperative that students understand the professionalism that is expected from all participants. Students will be expected to exhibit the following qualities and attitudes at all times:

BEHAVIOR AND SOCIAL SKILLS

- Considerate
- Cooperative
- Good tempered
- Demonstrates high integrity
- Leadership potential
- Respectful
- Team oriented
- Works well with others

- Commitment to completion/follow through
- Completes tasks on time
- Dependable and punctual
- Demonstrates an ownership mindset
- Maintains a well-groomed appearance
- Pays attention to detail

WORK ETHIC

- Able to stay on task
- Able to work independently

ACADEMICS

- Demonstrates time management and organization
- Participates in class discussion
- Seeks help when needed
- Self-motivated
- Works beyond minimum requirements

I am interested in participating in the Eagle's Nest Project at Circle. I understand that an application process will be conducted to identify those students that will be selected to participate. I understand the qualities and attitudes that are required and I will demonstrate these if given the opportunity to be a part of the program.

Student signature _____ Date _____

I support my child's interest in the Eagle's Nest Project at Circle. I understand that an application process will be conducted to identify those students that will be selected to participate.

Parent signature _____ Date _____

(On the back of this form, student should express his/her interest in this program.)
