Memorial School's Annual Halloween

Saturday, October 25, 2014, 2:00-4:00 p.m.
High Mountain School Parking Lot

(Rain Date: Sunday, October 26th)

Trick out your trunk and bring the family to HMS for a day of Halloween fun!

Memorial School Students will enjoy trick or treating from trunk to trunk, and dancing to music provided by our DJ. Donuts and refreshments will be served in the all-purpose room, and 1st, 2nd and 3rd place prizes will be awarded for the best decorated vehicles.

For planning purposes, RESERVATIONS ARE REQUIRED TO ATTEND THIS EVENT.

 Those providing a decorated trunk must bring enough individually wrapped candy treats to accommodate trick or treating for approximately 150 children. Please arrive in the parking lot at HMS by 1:00 p.m. to decorate your vehicle. (There is no charge for vehicles and "their" children this year, as those who attend with a decorated vehicle incur the cost of providing the trunks and treats for all the children.)

 **Please refrain from buying candy with nuts.** Parents please check your child's candy.

 The cost for children attending without a decorated vehicle is \$2 per child. (Siblings of Memorial School students, younger and HMS age, are welcome.)

If you plan on attending, please complete, detach and return the bottom of this form **by Friday, October 17th to Nadyne Averso, PTO mailbox.**

As we have a limited number of parking spots, reservations are on a "first come, first served basis". Only people and cars with a reservation will be allowed to participate.

If you have any questions please call Nadyne Averso 973-464-7678.

Name/Grade: _____
(print clearly)

_____ Reserve me a parking spot. . .I will be decorating my trunk.

_____ "My" children attending in my vehicle (no cost).
