

Church Picnic

Sunday,
September 21

12:45 pm

The Fun-n-fellowship team is hosting the Church picnic. It will begin at 12:45 at the west pavilion at Liza Jackson Park on Hwy. 98. (Nearest I-HOP)

The church will provide fried chicken and drinks for everyone. We are suggesting that everyone with last names beginning A-R to bring a side dish and those with last names beginning S-Z to bring a dessert. There is plenty of room at the park to play games on the lawn or you can just relax in your lawn chair or on your blanket. Enjoy the fresh air, great company, and delicious food. Hope to see you there!

If you have any questions or would like to help set-up or clean-up, please call Beth Russell (864-2384).

Welcome to Shalimar UMC

We are so glad you've chosen to worship with us this week!

Sunday Worship Services Traditions

This time of worship celebrates our Lord through the rich traditions of the United Methodist Church and the historic foundations of the Church. This service utilizes the great hymns of the faith, seasonal vestments, and music led by the organ and piano. The Traditions worship service is offered at 8:00 and 11:00 am in the Sanctuary. Our Chancel Choir leads in the 11:00 service.

Connect

The 9:30 am worship time is based on a four-fold model using a blend of contemporary music that includes modern offerings as well as upbeat hymn arrangements. This model begins with a time of gathering the body in praise, the service of the Word, a time of thanksgiving (usually communion), and closes with a dismissal as we seek to make a difference in the world God has placed us. This ancient-future model is led by the Connect Worship team.

Freedom

Our emergent-style Freedom Service is at 11:07 am in the Family Life Center Gym. This modern genre utilizes video and drama, as well as modern praise and worship music in a casual atmosphere. This service is led by the Freedom band.

Enjoy fellowship, coffee, and breakfast snacks in the Family Life Center Gym between worship services every Sunday morning.

Baptism of Alexander Lloyd Elliot Son of Liam & Olivia Elliott Sunday, September 14, 2014 | 9:30 am

Minister: Do you, as Christ's body, the church, reaffirm both your rejection of sin and your commitment to Christ?

People: We do.

Minister: Will you nurture one another in the Christian faith and life and include Alexander now before you in your care?

People: With God's help, we will proclaim the good news and live according to the example of Christ. We will surround Alexander with a community of love and forgiveness, that he may grow in his trust of God, and be found faithful in his service to others. We will pray for Alexander that he may be a true disciple who walks in the way that leads to life.

Bold Prayers & Miracles

Join a new study on Monday nights featuring "The Circle Maker" by Mark Batterson. "The Circle Maker is a dynamic Bible study that uses the story of Honi, the Circle Maker, who prayer-walked until the rains came during a devastating first Century drought. The study will use modern examples of the Circle Maker to help you identify, discuss, and put into practice the bold prayers and future miracles you need to draw circles around. God, who still looks for circle makers whose bold prayers defy human convention and invoke divine intervention, is waiting for those prayers." Beginning on September 29th at 6:30 pm, Ralph Johnson will lead this 4-session study. Look for more information in the Family Life Center or from Ralph Johnson.

Emmaus Cluster September Meeting (a pastor & a pot luck)!

We've been having trouble finding a good time to meet, so we would like to try gathering on a Saturday evening and enjoy a potluck dinner. We will meet on September 20th, at 6:00 pm in Room 106 of the Family Life Center. Pastor Philip will be the "4th day" speaker and we know you don't want to miss out on what he has to say! Please bring your favorite covered dish to share. We look forward to seeing you there!

Prayer Room Update

I am excited to share that the Prayer Room continues to make progress. Last week, the high-wind rated protective window was installed making the space ready for installation of the stained glass window. If you have walked by the Prayer Room, you've also noticed that the new door has been installed. In the next couple weeks, we should see the installation of the stained glass, arrival of carpeting and then new furniture! This has been a project several years in prayer and about a year in the process. Please continue to pray for Shalimar UMC and her leaders as they, too, pray for discernment as they lead SUMC to new and exciting ways we can impact lives for Jesus.

Missions Minute

Changing Lives
and Changing
our Church.

As of this past Sunday, we have raised almost \$2000 for the Malaria Net Campaign - saving 200 people from Malaria! This will go on through September 28th. Let us as a church help the many people who need these nets in order to be protected while they sleep. This is a wonderful way to be part of a mission project without leaving your home.

"I'm Rhonda Bradford's aunt. My husband Louie and I are missionaries in Kenya, where Malaria is one of the top killers of young children. Thanks for your efforts to make a difference in areas affected by Malaria".
-Rita Self

GETTING OUT IN THE WORLD: Sunday, September 14th there will be a table in the FLC with information on mission trips ranging from one day work events close to home, to domestic and international trips for next year. Come and find out where you can be God's hands and feet in mission outreach!

HELP AT HOME - There is an urgent need for help at a home TWICE flooded in Santa Rosa County. We are planning a work team to go over on Saturday, September 20th for the day. All are welcome! Bring some basic tools and your lunch. We will take the church van along with some cold drinks and reach out a helping hand! Any questions, contact Susan Daugard (243-1027).

Children's Ministry Mission Projects

Our Children's Ministry Team encourages all children to make a difference in this world, this community, and in this church. Mission Education is very important and in Isaiah 6:8 it states: ***"Also I heard the voice of the Lord, saying, Whom shall I send, and who will go for us? Then said I, Here am I; send me."*** We teach our children that they are "on mission" right now. We give kids hands-on opportunities for missions and allow them to be messengers for Christ. Missions education is a part of the Christian education process just as elementary schools have career days to help children understand where their talents and abilities fit in. Missions education is just another way to show kids where they might be used. In the past, children have prayed for others, bought cows and sheep and other animals thru the Heifer Project, raised money for the orphanage in India, for Mercy Ship for doctors to help children, for water wells in Africa, clothes for Back to School Program, FAITH bags, as well as sending children with cancer and their parents on a weekend retreat right here in Destin. We currently have children praying for others, bringing in school supplies for local schools, bringing in clothes for Back to School Bash, collecting money for Juvenile Diabetes, participating in the FAITH bags and supporting a Bus Ministry for ten kids and four youth kids. So, please discuss with children what it means to be "on mission" for God at home, at school, in their community, in their country, and throughout the world. Below is a list of ongoing mission projects for children and the needs for each one.

SUNDAY SCHOOL MISSION PROJECT: Shalimar Elementary School needs school supplies. Please drop off supplies at school, in the container provided during Sunday School or in Miss Susan's office! Supplies requested: glue sticks, scissors (pointed tip), pencil top erasers, folders with pockets and brads, black fine tip dry erase markers, enclosed pencil sharpeners, nylon zip pencil bags with 3 hole punch, blue and black ink pens, black and white composition books.

CLOTHING NEEDED FOR THE BACK TO SCHOOL BASH: IF... everyone bought one item, one shirt or one pair of shorts each month, we would have enough clothes to help those at the Back to School Bash - we did not have enough clothes for this years Bash in August. Please donate clothes sizes 4-T up to Youth Size 18...anytime!

JUVENILE DIABETES: Choir and Fish Factory are currently raising money for this organization. We plan on doing the JD Color Fun Run on November 8th and may need scholarships to help some of the kids run. Race cost: \$40 per person.

If you have any questions or concerns, please email or call me.

Please pray about this very important ministry and if you feel this is something you would like to participate in contact us through email at outreach@shalimar-umc.org.
