## **E. RELATIONSHIP OF PARTIES.**

- (1) Professional Judgment. Provider shall have the responsibility for determining treatment and administering care. Nothing in this Agreement shall be construed to interfere with the Provider/Member professional relationship, or limit Provider from discussing treatment or non-treatment options with Member that may not reflect the Sponsor's position or may not be covered by the Sponsor. Nothing in this Agreement shall be construed to limit Provider from acting within the lawful scope of practice, from advising or advocating on behalf of a Member for the

Member's health status, medical care, or non-treatment options, including any alternative treatments that may be self-administered with the Member. Nothing in this Agreement shall limit or prohibit Provider from advocating on behalf of the Member in any grievance system, Utilization Review process, or individual authorization process to obtain necessary health care or Covered Benefits. Provider agrees to not refuse to provide medically necessary services or covered preventive services to eligible members for non-medical services.

- (2) Independent Contractor. Provider and/or all dentists providing care under this Agreement are independent contractor(s) and nothing herein shall be construed to create an agency, employment, partnership, joint venture or fiduciary relationship between Avesis and any Provider.
- (3) Non-Exclusive Relationship. Provider's rights hereunder are non-exclusive. Provider may provide services to non-Avesis patients and enter into agreements with other networks and organizations for such purposes.
- (4) Rights Reserved by Avesis. Avesis retains all ownership rights in the Avesis networks and system and to the names and marks AVESIS®, together with any and all other trademarks and service marks that may hereafter be adopted or used by Avesis. Provider shall not advertise or use any names, symbols, trademarks, or service marks of Avesis in any advertising or public communication without the written authorization of Avesis.

## **F. INDEMNIFICATION.**

Neither Avesis nor any Sponsor including their officers, shareholders, directors, employees or agents are responsible for, or guarantee the quality of any services or materials furnished by Provider. Provider shall indemnify Avesis and all Sponsors from all claims, liabilities, and damages incurred in connection with, or arising out of Provider's material breach of this Agreement or any services or materials furnished, or to be furnished, or to be furnished, by Provider to Members. The obligations of indemnification shall survive the termination of this Agreement. It is further understood and agreed to by Provider that in no event, including but not limited to non-payment by Avesis or Sponsor, insolvency of Avesis or Sponsor or breach of this Agreement, shall Provider bill, charge, collect a deposit from, seek compensation, remuneration or reimbursement from or have any recourse against a Member or a person acting on a Member's behalf for covered benefits provided pursuant to this Agreement. This provision shall not prohibit Provider from collecting co-payments, deductibles, and/or coinsurance made in accordance with the terms of the Covered Benefits and Fee Schedule or for collection for non-covered services either from the Member or from third parties when such parties are primarily responsible for paying for these services. It is further understood that this provision shall survive the termination of this Agreement regardless of the cause giving rise to termination and shall be construed to be for the benefit of the Member and that this provision supersedes any oral or written contrary agreement now existing or thereafter entered into between Avesis and Provider and member or persons on their behalf.

## **G. CLAIMS AND PAYMENT.**

- (1) Claims Processing. If the Sponsor's program includes the payment of claims for Covered Benefits provided to its members, and if the Sponsor retains Avesis as its claims administrator, then Provider shall submit claims to Avesis electronically on the current ADA Claim Form, or manually entered on the Avesis website when submitting the information required in order to receive payment for Covered Benefits. Avesis requires all Providers to follow HIPAA regulations. Provider shall, to the extent possible, seek and accept from members their assignments of

payments for claims for covered benefits, if applicable. Provider shall submit claims in the manner provided in the Manual, together with all reasonably requested additional documentation, no later than ninety (90) days after providing the Covered Benefits. Avesis shall provide prompt payment in accordance with the laws of the jurisdiction where services are being provided as described in Section C (6) and the terms of the Sponsor's Term Sheet, for clean claims for Covered Benefits provided to eligible Members by Provider. Claim disputes will be referred to the Avesis Chief Dental Officer and if not settled shall fall under Sections O (4) or Sections O (12).

- (2) Compensation. Contingent upon receipt of payment from Sponsor, Avesis shall pay Provider according to the Covered Benefits and Fee Schedule. The Covered Benefits and Fee Schedule are subject to change with sixty (60) days prior written notice from Avesis. If Avesis identifies an overpayment to Provider, Avesis shall reduce payment to the Provider for all claims submitted by Provider by up to ONE HUNDRED PERCENT (100%) as determined by Avesis, until overpayment amount has been recovered. Claim disputes will be referred to the Avesis Chief Dental Officer and if not settled shall fall under Sections O (4) or Sections O (12).
- (3) Program Coverage. Provider agrees to submit pretreatment estimates if required in the Covered Benefits Schedule. Provider acknowledges that possession of an Avesis identification card or Sponsor identification card does not guarantee that an individual is still a Member on the date services are rendered, or that a Member is necessarily covered for any or all services or materials to be provided. For emergency treatment see procedures described in Section D(3).
- (4) Hold Harmless. Provider agrees and warrants that in no event, including but not limited to: nonpayment by Avesis, Avesis insolvency or breach of this Agreement, shall Provider bill, charge, collect a deposit from, seek compensation, remuneration or reimbursement from or have any recourse against any Member or persons acting on behalf of any Member for providing covered services. This provision does not prohibit Provider from seeking to collect co-insurance, copayments or deductibles from Members or fees for non-covered services delivered on a fee for services basis to Members as well as services received by ineligible persons in accordance with the terms of the Covered Benefits and Fee Schedule. Provider agrees that Provider shall hold the Member harmless and shall not bill the Member for non-covered services if the non-covered services are not covered as a result of any error or omission by Provider. This hold harmless provision shall supersede any oral or written agreement entered into between Provider, Avesis, Sponsor and Members or designees and shall survive the termination of the Agreement regardless of the cause giving rise to the termination. Provider also agrees to hold the jurisdiction where services are being provided, Members and the State agencies financially harmless from unpaid claims for Covered Benefit(s). Provider shall not seek payment from the jurisdiction where services are being provided, Members or State agencies in the event that Avesis or Sponsor will not pay for Covered Benefits performed by Provider under this Agreement.
- (5) Non-Covered Services. If there are non-covered procedure(s) or treatment(s) available to the Member, the Member must indicate on a disclosure form his/her willingness to accept non-covered procedure(s) or treatment(s). The Member shall sign a statement evidencing his/her knowledge of said disclosure. The statement must also include the cost of the non-covered procedure(s) or treatment(s) and an assurance that there are no other Covered Benefits available to the Member. If and only if the Member knowingly elects to receive the non-

covered procedure(s) or treatment(s), the Member would pay the Provider's Usual and Customary rate as payment in full for said service. In addition, the disclosure statement must contain the payment arrangements. If the Member will be subject to collection action upon failure to make the required payment, the terms of said action must be kept in the Member's treatment record. Failure to comply with this procedure will subject the Provider to sanctions up to and including termination as set forth in Section K of this Agreement. Avesis shall make available the disclosure form in the Provider Manual.

- (6) Coordination of Benefits. Provider will notify Avesis when it is determined that a Member may be entitled to coverage under any other Sponsor Plan. If Avesis is the primary carrier, Provider agrees that Avesis' obligation to Provider will not exceed the compensation described in the Covered Benefits and Fee Schedule. If Avesis is the secondary carrier, Provider agrees that Avesis' obligation to Provider will not exceed the compensation described in the Covered Benefits and Fee Schedule and Provider will refund the aggregate compensation Provider received from other Sponsor for services or goods in question.
- (7) Missed Appointment. Provider shall not bill, charge, collect a deposit from, seek compensation, remuneration or reimbursement from or have recourse against a Member participating in a government program or person's acting on behalf for a Member for a missed appointment.
- (8) Continuation of Care. If Provider is rendering services to Member upon execution of said Agreement, Provider agrees to submit existing treatment plan to Avesis. At no time following the execution of this Agreement shall the Provider be required to continue treatment with a Member with whom Provider cannot maintain a professional relationship with or is beyond the scope of their ability. Provider must work with Avesis and Sponsor to transition care for Member. Provider agrees to complete any treatment in progress for a newly enrolled Member. Avesis agrees to negotiate fees in good faith for such treatment.
- (9) Work in Progress. Upon termination of Agreement between Provider and Avesis, Provider agrees to complete all work in progress within ninety (90) days and agrees to continue to provide services to members through the last day that this agreement is in effect. All services rendered after Provider's termination date require prior approval by Avesis and fee negotiation.

## H. REPRESENTATIONS OF PARTICIPATING PROVIDER.

Provider hereby represents and warrants to Avesis that:

- (1) Authorization. The individual executing this Agreement on behalf of Provider is duly authorized to do so; and upon its execution, this Agreement shall constitute the legal, valid and binding obligation of Provider.

Provider shall promptly deliver to Avesis certificates evidencing the insurance required hereunder and shall notify Avesis immediately of any changes in insurance or coverage. Insurance carried by Provider will not relieve Provider from the indemnity obligations contained in Section F.
- (2) Licensure. Provider and employees or agents rendering services to Members shall be appropriately licensed to render such services as required by State or Federal law or any regulatory agency. Such licenses shall be maintained in good standing. Provider shall provide Avesis a copy of said license(s) upon execution of this Agreement.
- (3) Professional Training. Provider and all employees or agents rendering services to Members shall possess and maintain the training and ability and other qualifications necessary to provide quality care to Members. Avesis will review the status of the Provider following notification of any action by the State Board Of Dentistry.

- (5) Professional Review Process. Any instance where there is a possible violation of Professional Requirements, the issue will first be referred to the State Dental Director and Chief Dental Officer for review. If it is deemed that there is insufficient evidence, Provider will be notified that no action is required. If it is deemed that there is sufficient evidence that the Provider has failed to fulfill the Professional Requirements, Provider will be given written notice and a thirty (30) days grace period to rectify the situation. In the event the Chief Dental Officer determines there is potential risk to Members due to due this violation, Avesis shall have the right to immediately terminate the Provider with cause, K (2). If Provider does not successfully rectify the situation, termination will occur as referenced in Section K (2). Claim disputes will be referred to the Avesis Chief

Dental Officer and if not settled shall fall under Sections O (4) or Sections O (12).

- (7) Regulatory Compliance. Provider must meet the minimum requirements for participation in the Medicaid program as provided by the jurisdiction where services are being provided. Provider agrees that SCDHHS, U.S. Department of Health and Human Services (HHS), CMS, Office of Inspector General Comptroller, State Auditor's Office and the South Carolina Attorney General's Office shall have the right to evaluate through inspection or other means, whether announced or unannounced, any records pertinent to this Agreement or the services rendered hereunder, including quality, appropriateness and timeliness of services. Such evaluation, when performed, shall be performed with the cooperation and assistance of the Provider, as required.
- (8) **Provider shall notify Avesis within two (2) business days of the Confirmation of a medical disability, the restriction or loss of any DEA certificate or license to practice dentistry or any action that limits or restricts a Dentist Provider's ability to practice dentistry including all licensed professional personnel providing services to Members.**

#### J. ASSIGNMENT.

Neither this Agreement nor any of the rights or obligations hereunder shall be assigned, transferred or delegated by Provider, by operation of law or otherwise, without the prior written consent of Avesis, which consent shall not be unreasonably withheld. Any change of ownership interest in Provider shall be deemed an assignment of the Agreement, and would require the prior written consent of Avesis. Avesis may assign its rights and obligations hereunder.

#### K. TERMINATION.

- (1) Without Cause. This Agreement may be terminated without cause by either party providing written notice to the other at least sixty (60) days prior to termination of this Agreement. It is understood that during the 60-day period, the Agreement and the obligations and duties hereunder shall remain in force and effect at Avesis' election.
- (2) With Cause. This Agreement shall be terminated automatically and immediately upon notification that Provider's professional license or certification has been suspended, cancelled or not renewed, loss or suspension of DEA license, loss of Provider's liability insurance, Provider's conviction of a felony, failure of Provider to meet credentialing, grievance or quality assurance requirements for any state or federal regulatory agencies or designees or failure to provide quality services to members. Provider may appeal the termination decision upon written notification stating the grounds for said appeal, within ten (10) days of notification of termination. Further, this Agreement shall be terminated should Provider be convicted of an offense involving Avesis and/or Plan or be convicted of an offense related to Medicare or Medicaid. This Agreement shall automatically terminate upon the death or retirement of Provider.

- (3) Appeals Process. Upon receipt of written notification of Appeal, stating grounds for the Appeal, Avesis shall convene a special meeting of the Quality Improvement Committee and will review all appropriate information and confirm or deny original decision. If original decision is denied, Provider will be reinstated. If the original decision is confirmed, the Provider shall continue to have the right to dispute resolution as referenced in Section O (4) and O (12).
- (4) Either party may terminate this Agreement for a material default by the other party if the default is not cured within 30 days after the defaulting party is given written notice specifying the default. Termination of this Agreement does not nullify Provider's responsibility for the adequacy of service and materials provided to members.

**L. PROCEDURES AFTER TERMINATION.**

Upon termination of this Agreement for any reason:

- (1) Cease Affiliation. Provider shall cease to be an authorized Avesis Provider and shall:
  - (a) immediately return to Avesis all manuals and any other materials or products loaned to Provider;
  - (b) immediately and forever cease and desist from using the manual, Avesis advertising and promotional materials, and all trade secrets and confidential material delivered to Provider pursuant to this Agreement;

- (2) Non-Solicitation. Provider will not directly or indirectly enter into an agreement with current or known prospective Avesis Members for its own benefit or knowingly compete with Avesis for services covered under the terms of this Agreement without consulting with Avesis. The results of any consent would be documented in a signed document by Avesis and Provider.

**M. SPECIAL REMEDIES.**

Provider acknowledges that if Provider breaches any of the provisions of Section D (5), E, H, I, or L, Avesis shall have incomplete and inadequate remedies at law. Therefore, Provider expressly consents and agrees that Avesis may, in addition to any other available remedies, obtain an injunction and/or temporary restraining order to terminate or prevent the continuation of any such violation.

Except as set forth below, the parties hereby renounce all recourse to litigation as to matters subject to arbitration hereunder, and the parties agree that the award of the Arbitrator shall be final and subject to no judicial review, except as expressly provided by applicable law. The Arbitrator shall decide the issues submitted to him in accordance with: (a) the provisions and purposes of this Agreement; and (b) the laws of the State of Maryland and shall issue a written award setting forth the reasons for his decision. Judgment on the award of the Arbitrator may be entered in any court having jurisdiction thereof. Notwithstanding the foregoing, each party shall have the right to seek injunctive or other equitable relief in any court of competent jurisdiction to enforce the provisions of this Agreement without first seeking or obtaining any decision of the Arbitrator with respect to the subject matter of this Agreement as described in O (12), even if a similar or related matter has already been referred to arbitration in accordance with the terms of this paragraph. The parties hereto agree that at no time shall dispute disrupt or interfere with the provision of services to members as provided for herein.
