# 2010 PHARMACY DIRECTORY

---

---

# TEAM *Star*

---

This directory is for Region 10:

## Georgia

This booklet provides a list of network pharmacies. All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. We also list pharmacies that are in our network but outside Region 10. To get current information about network pharmacies in your area, or if you need further information, contact Customer Service at the number listed on the back of your Part D member ID card, seven days a week, 8:00 AM to 8:00 PM in your local time zone.

### Introduction

To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and your plan Formulary. If you have additional questions, please call Customer Service at the number listed on the back of your Part D member ID card.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by your Medicare Prescription Drug Plan. In most cases, your prescriptions are covered under your Plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.
