Kagan Structures for Cooperative Learning & Active Engagement

April 19–20, 2013 • For Grades K–12

Engage students and raise test scores with teacher-friendly strategies you can implement tomorrow! In this workshop, you'll experience cutting-edge teaching structures to create classroom success now and forever! In addition, you'll learn management tips, how to form effective teams, strategies for creating a cooperative class through teambuilding and classbuilding, and why cooperative learning produces gains when group work often fails. Finally, a class that has practical, hands-on ideas grounded in sound research and theory.

- ★ Create a positive learning environment through fun and easy classbuilding activities
- ★ Experience why group work doesn't work
- ★ Create success for all by eliminating "hitchhiking"
- ★ Save valuable time and energy with easy-to-use structures that make lesson planning a snap
- ★ Engage all students throughout each lesson with **NEW** cooperative learning
- ★ Keep students on task, and effectively manage disruptions with engaging structures

Don't miss this opportunity!
