of our
Memorial Paver
Campaign!

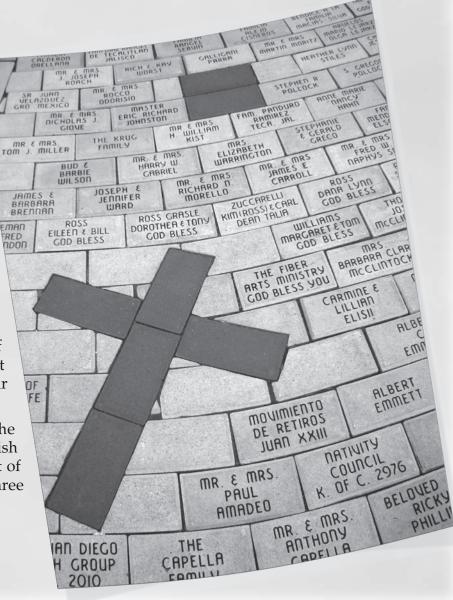

With close to 300 memorial pavers already in place, the Way of the Rosary around our shrine is already a unique and stunning tribute to our devoted parish families and their loved ones.

The next phase of this effort allows us to reduce the number of paver applications that can be processed from 100 to 25 in each subsequent engraving session, for which we already have seven of the 25 applications needed.

Memorialize your family and deceased loved ones by making yourself and them a prayerful and permanent part of the Way of the Rosary around our shrine to Our Lady of Guadalupe.

Complete the application on the reverse of this flier, and return to the Parish Office with cash or check in the amount of \$75. Please help make our Phase Three engraving session happen!

Thank you for your support!
