Dear friend of the arts,

On behalf of the board, students, audiences and staff of Darlington Arts Center; I am writing to request **sponsorship support for our Annual Benefit - Arts Salute to Spring**. The event will be held on Sunday, April 28, 2013 at Penn Oaks Country Club in West Chester, where 100 guests will gather to enjoy a reception, performances and a live and silent auction. This is our **only fundraising event** this year!

Founded in 1978 Darlington arts center is building community through the arts. **3,800+ community members** visit us annually for performances, galleries and special events in addition to the **1200+ students** who join us for Music, Visual Art, Dance and Drama instruction. We draw from **Garnet Valley, Glen Mills, Chadds Ford, West Chester, Delaware** and other areas and provide Arts Education Outreach Programs in **Chester** and West Chester. **120 professional artists** performed exhibited or taught at the center last season.

As a non-profit arts center Darlington depends on contributed income in order to maintain our facilities, provide excellent administration and care for our instruments. We also raise funds to offer scholarships and provide outreach to students in schools who **otherwise would have no arts instruction**. We need your help to continue to provide opportunities for **education, exploration and inspiration!**

*Sponsorship levels are:*

Angel:	\$20,000+	Artist:	\$500-999
Visionary:	\$10,000-19,999	Community Builder:	\$250-499
Muse:	\$5,000-9,999	Arts Explorer:	\$100-249
Advocate:	\$2,500-4,999		
Soloist:	\$1,000-2499		

**We appreciate your support!** Please call me if you have questions about the event or this request.

Sincerely,

Susan Nicodemus Quinn  
Executive Director
