The staff and volunteers of the 4-H program provide the best educational program possible. However, the success of the program is equally dependent on the 4-H member assuming mature, responsible and safe behaviour while in attendance. The standards of behaviour include the following rules:

1. Possession or use of alcoholic and/or illegal drugs is absolutely prohibited.
2. No 4-H member may leave the grounds without permission of a 4-H program staff member/leader/chaperone.
3. Co-ed visiting during non-designated times is not permitted.
4. Members are expected to behave at all times in a manner consistent with the educational purposes of the program.
5. The programs are not without risk and members, in dealing with livestock or otherwise, are expected at all times to follow instructions, and to carry on in a safe manner.
6. Pre-arranged travel plans to and from the 4-H program/opportunity must be adhered to unless alternate arrangements have been authorized.

I hereby agree to abide by all the rules and regulations of the 4-H Program. I promise to attend and take part in meetings, to follow project instructions, to exhibit my project, and to submit records as required.
