

Hero Presentation Self Evaluation

Questions	Your Responses
<p>Process: Describe your process of putting together this presentation. About how much time did it take? How often did you rehearse? Do you feel good about the process you used? Did you have any problems? How did you solve them? Answer these questions in detail – add anything else you can think of.</p>	
<p>Presentation: How do you feel about your final presentation? What do you like best about it? What do you think you could work on in future presentations? Be detailed and give specific examples. Consider the visuals as well as the script itself (content). Speaking skills are the next question, so you can wait to write about your speaking.</p>	
<p>Speaking Skills: How do you feel about your speaking skills? Address each of the speaking skills that you learned about. What did you do well? What do you need to work on?</p>	<p>Projection:</p> <p>Enunciation:</p> <p>Expression:</p> <p>Pacing:</p>
<p>Goals: Did this assignment allow you to work on any of the goals you set for yourself? Please explain your response in detail.</p>	
<p>Fun? Finally – did you enjoy this assignment? Why or why not?</p>
