Dear Mayor and City Council,

As a concerned citizen of this city, I OPPOSE the special use permit request by Pinnacle Housing as it relates to Plano zoning case 2014-47. I join the Plano Planning & Zoning Commission, Texas State Rep. Pat Fallon and the Lewisville ISD in opposition of the project.

Ten additional reasons I don't support this project, and ask the council to not approve the applicant's request:

1. Inappropriate Land Use
2. Too isolated a location and future residents would be on an island
3. Too much noise for the area
4. Too much traffic for the intersection and Texas highway 121
5. Nearby hotel already approved will tower over the mid-rise and challenge privacy for occupants
6. Nearest Plano library is too far away
7. Plano parks and trails are too far away
8. Public transportation is too far away
9. No safe sidewalks available for entire distance to public facilities
10. Gas pumps too close to the mid-rise

---

Signature
