  2. PRODUCE A "WANTED POSTER"
- \* **Type** all information on **ONE 8 ½" x 11"** paper (one page) \*

**PROCEDURE:**

1. SELECT AN ORGANISM (sign up for one with your teacher) & write it in the box above.
2. RESEARCH THE ORGANISM USING BOOKS AND THE INTERNET
  - Your textbook is also a good resource for some information (p.502)
3. MAKE A "WANTED" SIGN (Put "Wanted" at the top of the page) that includes **BULLET POINTS (NO PARAGRAPHS; no sentences)**

**RUBRIC:**

Include the following:	Points Worth	Points Earned
A picture of your organism along with its <b>formal species name</b> (correctness in writing the species name)	10	
To what <b>kingdom</b> does the organism belong? (see p.502 in textbook)	10	
A <b>description</b> of the organism (what does it look like?) (pretend you are describing it to someone who cannot see)	10	
What <b>cell type</b> does the organism have (prokaryotic or eukaryotic)?	10	
What special type of <b>cell structures</b> does your organism have? (do not use words you don't understand)	10	
<b>How many cells</b> (unicellular or multicellular)?	10	
Mode of <b>nutrition</b> (autotroph or heterotroph)?	10	
How does the organism <b>reproduce</b> (asexually or sexually)?	10	
What is its <b>habitat</b> or what environmental conditions does the organism need to survive (any other identifying characteristics)?	10	
Use of bullets (no paragraphs)	5	
Attaching this paper to the front of Wanted Sign	5	
Neatness, creativity, and originality	+ 5	
<b>** Receive 5 extra points for turning it in before Friday, March 4<sup>th</sup>. **</b>	+ 5	

Things to remember: Everything must fit on one page (8 1/2 x 11); no paragraphs; DO NOT USE WORDS that you do not understand; use bullet points

\*\*\*Do not copy and paste from internet sources for this assignment. All information presented on the poster must be written in your own words, otherwise it will be considered plagiarism and you will receive a zero. \*\*\*

Here are some examples of Wanted Posters.  
These examples are just to give you ideas of how Wanted Posters look.  
Notice, there are no paragraphs.
