

Genre Tic-Tac-Toe

Name _____ Score ____/30

How To Play: When you finish reading a book from one of the genres, fill in the information in the square for that book. To get Tic-Tac-Toe, you need to fill in three squares in a row, diagonally, or all four corners. **A minimum of one Tic-Tac-Toe is due each quarter. You must get a Tic-Tac-Toe, not just read three random books.** Parents must sign off on each book, and I must SEE you reading THESE books during silent reading and sign off on them also. If you don't get my signature and a parent signature, the books don't count! **-1 each time you come unprepared for Silent Reading, -3 if you are disruptive during Silent Reading. For each extra book you read, +3.**
