ADMINISTRATIVE OFFICER

BRANCH MANAGER.

Note: 1. If the name of the policyholder is keyed in wrongly at the time of data capture, the same can be corrected through NB module option before policy issue.

2. Other details viz., Bank Account, Address and PINCODE can also be corrected by registering RFM.

3. A copy of the registration along with the file, through a marking in the K6 output lists should be sent to the DHU (used as a covering letter for forwarding the dockets)
