Reunion Weekend

28th – 30th October 2016

To celebrate the
40th Anniversary of Sherborne International

For all Alumni of

GREENHILL HOUSE
SHERBORNE INTERNATIONAL STUDY CENTRE
THE INTERNATIONAL COLLEGE AND SHERBORNE INTERNATIONAL

Introduction from the Principal Phil Hardaker

Dear Friends,

Since I joined the school in 1979 I have been in a privileged position to get to know you all so well. It was an absolute pleasure to see you develop at the school (whether it be called Greenhill House, the Study Centre, International College or Sherborne International) and more recently to hear of the successes of your families. Indeed not many of you may know that we have now welcomed six second generation students, and this makes me very proud indeed.

Over recent years I have had the great pleasure of talking with you when we have had reunions, both formal and informal, across the globe. The one topic that has been discussed many times and one which has always excited me, is the possibility of a reunion here in Sherborne. It has been your drive for this, as well as mine, that has led to the opportunity now arising. I am delighted to announce that to celebrate the 40th year of our very special school, we can now have that very reunion here in Sherborne – and create a not-to-be missed opportunity to come back to the school that I know is close to your hearts. It will be a wonderful opportunity to revisit the town, stay in your boarding house, and catch up with old school friends and staff. Please do join us and bring your families if you wish so you can share the special memories with your loved ones.

It is also my 60th birthday only a week or so before and I cannot think of a better way to spend it than with people who mean so much to me.

See you there!

Best wishes,

Philip A. Hardaker

Mr Hardaker
