Omni Ins. Group makes no representations or warranties regarding the accuracy of these rates. Rates were determined using the CCI Rater comparative rater with rates effective 12/01/2009.

Supporting these competitive rates is a **world class web-based policy-processing system with a proven track record we call IZZY**. We also have a one page "**Quick Quote**" web rater that will provide fast, accurate, real time rates and revolutionize the way you do business with Omni **even if you don't use a comparative rater!**

A group of Omni Representatives will be visiting the state next week to train new agencies and offer some **incentives to write more nonstandard auto business with Omni**. If you don't receive a phone call for an appointment, please contact our Marketing Support Team at: **866-300-6433 Ext. 29039** and they will forward the message to the Representative covering your area.

Below are some additional program highlights:

- **LOW Down payment Options** – Down payments as low as 11% on six month policies (5.5% on annual policies) make it easier for your insureds to get their policies started with Omni.
- **Quick On-line Endorsements** - You can make real-time policy endorsements on-line and view your commission statements daily!
- **Reinstatement with a lapse up to 30 days after cancellation** – Insureds retain all their discounts up to 30 days without having to rewrite their policy!
- **Assigned Underwriters** – We assign an Underwriter to your agency to assist you with any new business submission issues, ensuring a quality service experience.

Response to our auto program and policy processing system continues to be very positive! If you haven't tried IZZY, **now is the time**. If you have immediate questions about these changes or would like to initiate contact with a Marketing Representative, contact our Marketing Support Team at: **866-300-6433 Ext. 29039**.
