In performing the above-described responsibility determination, the AGENCY reserves the right to utilize, and bidder agrees to provide AGENCY with all possible sources of information in assisting AGENCY to make its determination, including, but not limited to: inquiries to regulatory state Boards and agencies; Dun and Bradstreet credit reports; bidder's most recent financial statements (unaudited and audited, as requested by AGENCY); inquiries to companies and public entities for which the bidder has previously performed work; reference checks and examination of all public records.
