Check out Steve Leimberg's Estate Planning QuickView

QuickView is a State law sensitive flowchart and graph based Windows software, incorporating the latest tax law changes, both state and federal. For Estate and Financial Planners, QuickView will instantly communicate answers to two of the most important questions:

1. **What dispositive trust-based strategy** will reduce taxes to the lowest possible amount?
2. **What dispositive trust-based strategy** will provide the highest amount for heirs?

Visit our website to learn more about how our programs can help you:
