

## **GED Prep Program Quick Guide**

- Determine GED students' readiness to test using the OPT (Official Practice Test) observing strict time limits on each subtest.
- Begin application process with students once they have achieved at least 2250 on the OPT (2500 for students in an EPE funded prep program) and at least 410 (minimum score as per ACE/GEDTS; passing score may soon be increased in NYS) in each subtest by:
  - determining eligibility of students to sit for the GED Test
    1. students 19 years of age or older do not need proof of age eligibility
    2. students 16 through 18 years of age must have proof of age eligibility by completing one of the following Attachments - B, C, D or E, in advance of the GED test.
    3. students from foreign countries who are 17 or 18 years of age need notarized letters and proof of US entry dates as substitutes for Attachment B (see shaded paragraph on page 8 of GED Prep Program Guide or the top of page 6 in the *GED Test Administration Handbook*.)
  - helping students complete Attachment A – Application for GED Testing
  - helping students with disabilities complete one of four available forms requesting testing accommodations. Forms are downloadable from: <http://www.acces.nysed.gov/ged/accomodations.html>
  - informing students with disabilities of accommodations available that do not require approval by GEDTS trained personnel.
- Remind students of the ID required on the day of GED testing (see page 26 of the *GED Chief Examiner's Manual for New York State GED Test Administration*).

  - The TAF must contain all the following information

This is done to verify each candidate's information on the NYSED GED data base to ensure the accuracy of the names of the preparation program's students referred to testing and the prep program's GED pass rate. This completed form needs to be **faxed** to the attention of **Dr. Patricia Mooney** at **518-473-3859** with a cover sheet that includes the prep program name and contact information.
  - This form must include the prep program's name and address, five-digit GED preparation program code, name of official program contact person, contact person's signature and contact person's phone number.
