Junior Pens Floor Hockey

This class introduces the game of hockey to beginners and helps advance the skills of players already playing hockey. Kids learn player positions, stick handling, and ball control while having fun scrimmaging.

We will provide sticks and goalie equipment. We will be using the foam sticks and foam balls for/pucks for Y Rookies. Mouth guards, shin guards, and gloves will not be provided, but are recommended.

This class will be available to our Y Rookies (ages 4-6) and our Y Winners (ages7-14).
