Is there an emergency eyewash station on site?						
Is there an emergency safety shower on site?						
Does the student have access to all of the above listed items?						

Instructions: Answer each question with a check mark in the "yes" or "no" boxes. Then determine the level of risk (using the scale below) for each activity, based on your answer. If the level of risk is high, recommend actions to increase the student's safety. Include a date you would like the action completed by and who is responsible.
