

EUREKA CAMP '11 PACKING LIST

Please label all items clearly. This will enable your camper to bring back as much as he/she came with! We do our best to return all items but it is better not to send anything that you or your camper cannot part with.

Items listed below are recommended for a 2 week camp – please adjust accordingly if your camper is attending for one week. It is a good idea to send enough clothing for each day of camp plus one. Outer wear can be worn several times but underwear and socks will need to be changed frequently!
