Awards and Honors Achieved by Club

General Information and/or Comments about Club:

For 16s, we are looking for a right side, middle and maybe a setter to fill a team that already exists.

For 14s, I am building a team of players from Nebraska City Public schools to play together in preparation for high school. Each team will have 8-9 players. If you live in the Nebraska City area and want to potentially be on this team, please contact me.
