REGISTRATIONS MUST BE RECEIVED BY APRIL 15th 2015

HERVEY BAY ACCOMMODATION OPTIONS

Hervey Bay has often been called the jewel in Queensland's crown. Hervey Bay is an easily accessible holiday destination with modern jet airport, proximity to statewide train services and close to the Bruce Highway.

Referred to as the whale watch capital of the world, Hervey Bay is most famous for its hump back whales and the world's largest sand island, Fraser Island.

It has a population of approximately 63,000 residents, about 200 of which are Rotarians!

The city has a wonderful subtropical climate. Temperatures range from 14 to 23 degrees Centigrade in winter and 22 to 29 degrees Centigrade in summer.

Rainfall is low and there are more fine days than any other Queensland holiday centres.

Proud sponsors of the 2015 Conference

Excellent quality accommodation at sensational Rotary prices. Please mention that you are a Rotarian when booking.

- Hervey Bay's best 25 metre lap pool with spa
- Sauna & Gym & Full size Tennis Court
