Deb DeWilde: 715-569-4018, 715-323-4028 or email comments or questions to stpaulsScripwr@gmail.com

How does the Scrip program work??

Scrip works very similar to buying and using gift cards from local retailers and restaurants. You purchase the gift cards through St. Paul's Scrip program – give them as gifts or use them yourself. St. Paul's Church and School will receive a discount (% donation) when the Scrip is purchased. Each retailer sets the percentage that it wishes to donate through the program. For example, if you buy a SCRIP gift card for Pizza Hut, that company will donate 8% of that purchase back to St. Paul's.

There are many options to purchase Scrip cards:

- Complete both sides of this order form and place it, along with payment, in St. Paul's Scrip drop slot in Welcome Center.
- Order online at shopwithscrip.com and place your printed order, along with payment, in St. Paul's Scrip box in Welcome Center. **Online Enrollment Code: 294DAC1512591**
- Order AND pay online at shopwithscrip.com or with the phone app MyScripWallet.
- Purchase directly from the St. Paul's SCRIP table Sunday mornings or from the church during office hours only.
- You may obtain a list of national Scrip retailers at shopwithscrip.com (click on the Retailer List – Alphabetically or By Category). You may order anything from the retailer list by writing it on this order form.

Orders will be processed each week on the following Wednesday or Thursday. During the summer months, orders will be placed in your mailbox.
