

TRIANGLE LAKE CHARTER SCHOOL STUDENT/ATHLETE BEHAVIOR CONTRACT

Recognizing that participation in extracurricular activities is a privilege (not something that I am entitled to), and recognizing that, as an athlete, my speech and behavior continuously represents Triangle Lake Charter Schools (24-7), I hereby agree to the following:

I will follow all school rules as represented in the Triangle Lake Student handbook including those specific to athletes (Athletic/Activity Eligibility Code). I understand that all possible behaviors cannot be covered by this document and the student handbook. I therefore agree to govern myself in a responsible, respectful and safe manner at all times.

I will abide by established curfews and training rules established by school policy and coaches.

When traveling:

- I will abide by hotel rules.

- I will remain in common areas if with people of the opposite gender. (I will not fraternize--be present in a hotel room, or other unsupervised area with people of the opposite gender without adult supervision—and remain under the guidelines of the student handbook regarding my behavior with those of the opposite gender.) As per the handbook, only handholding is appropriate.

- I will use cell and hotel phones (including texting) responsibly and only in ways that would facilitate appropriate behavior. This includes being responsible for loaning a personal phone to others.

- I realize that I am responsible for any additional hotel charges, including, but not limited to damages to hotel rooms, phone charges, etc.

- I realize that failure to follow school expectations will result in consequences and may result in my parents being called to take me home.

I will show respect for my coaches, fellow players and myself, using speech, actions and attitudes that bear this out.

I have read and understand these rules.
