

Equality and Diversity Monitoring Form

Treloar School and College is committed to Equality, diversity and inclusion and welcome applications from potential students of all ethnic, social and other protected backgrounds. The policy is intended to ensure that no prospective or existing student shall receive less favourable treatment on the grounds of age (where appropriate), disability, gender, gender reassignment, race, religion or philosophical belief, sexual orientation. To measure the effectiveness of its equal opportunities policies, Treloar School and College are committed to carrying out monitoring of the Admissions process.

Please can you complete this part of the application form in order that we can check that prospective students receive fair and equal treatment at all stages.

This information will not be used in the decision making process and is kept separate to the main application and admissions documentation. It is used for statistical purposes only and will be recorded on a computer database.
