List of brand names of testing kits and devices being marketed.

**Pro-Split, OraLine**

Approx. 200 words highlighting your company's strength and specialities, profiling your organisation and presenting your products, services, prices, policies, accreditations, customer references, turnover etc.

Random Testing Company will travel to any work site in Australia to perform price effective scheduled and random on site impairment screening, breathalyser and instant urine or saliva testing for the use of illicit drugs in the workplace.

In addition to traditional Drug & Alcohol testing programs, RTC offers a fully portable "Fitness for Work" fatigue and drug impairment screening program using a non invasive ocular screening device.

Our average testing rates are as follows:

15-20 per hour for impairment screening

20-25 per hour for instant urine testing

15-20 per hour for instant saliva testing

Our goal is to assist in creating a safe productive workforce for employer, employee, contractor, and visitor.
