

THE 2014 BOULDER JCT. RECREATION PROGRAM

Hello again to all residents and visitors of the Boulder Junction area. We are preparing the program this year while there is still two feet of snow on the ground on May 1st. We hope that by the time you get the schedule we have warmed up to where we can enjoy the summer together. Again this year we invite your youngsters, ages 5 to 13, to attend our summer program. The following is a preview of what this year's program will include.

Kids Ball and T Ball age boys and girls will be instructed on some mornings, on the basics of baseball. It is not to replace normal practices but we hope it will add to the children's fun and learning experiences. After practices, we will do special events and activities that we would like them to stay and participate in for the rest of the day. The swimming program will be on various days again this year and as you will notice, the lessons are given at different beaches on different days. We are hoping that the water temp will rise quickly in order to get lessons in as soon as possible. Please be sure to check the schedule so you know where we will be on each day.

It is very important that parents look at the schedule each morning to find out what we are doing for the day, the costs of the events, and the times we are leaving and returning. Please note that we have a Daily Fee to help keep the Boulder Rec. Program running. (Please send CASH for the Daily Fee, NO CHECKS) Also, many of our rain day activities cost money, so, *if it looks like rain or if it's cold outside, make sure your child has money* for that event. Usually, if it looks like rain we will put an alternative schedule and costs on a board in the front window of the bus for you to see when you drive into the parking lot. If you have any questions or helpful comments, please, don't hesitate to call us.

This year we will again run the program for seven weeks BUT there will be a week from July 14th to the 18th when we will be gone and there will be a break in the program. We will add a week to the end of the program to make up for the lost days.

Again, **CHECK THE SCHEDULE ON THE BOARD DAILY FOR COSTS, TIMES AND ANY CHANGES.**

If there is a need to contact us, you can leave a message at the community building (385-2220) and we will get back to you as soon as we can. We hope you're able to come and have some fun with us for at least a few days this summer! Thank you for supporting your program!

All children must register in the community building on the form provided.

Thanks,

The Roeders

Dear Parents,

This form is for our use as both a consent form and a locating form for parents of children in the B.J. Park Program. Please send this form to us on the first activity your child attends!!!

I give my permission for my child/children _____ to attend any of the B.J. Park Board Summer Program activities for 2014. You can reach me at _____ or _____ during the day. My child's birth date is _____ his/her age is now _____. My child is allergic to the following medicines _____
