Guidelines

Deadline: April 1 & October 1

CALL FOR PROPOSALS:

The South Shore Art Center is a non-profit organization whose mission is to enrich the communities south of Boston by fostering an understanding and appreciation of the visual arts through exhibitions and education. SSAC invites interested artists/curators to submit proposals for exhibitions to be scheduled in the Bancroft Gallery for 2011/2012. Artists/Curators may propose exhibitions consisting of one medium or several media, and are encouraged to consider including performance, music, poetry or related arts. Curators who are artists themselves may include their work in the exhibition, but it should not be the central focus. Exhibitions generally run 6 weeks.

GUIDELINES FOR PROPOSALS:

1. Description of the exhibition with a statement of the underlying concept is required. The committee will look for a coherent central theme in the proposal. Since a major focus of the SSAC's mission is educational, we encourage proposals to include panel discussions, gallery talks and related educational presentations.
2. Current resumes of the curator and/or artists should accompany the proposal.
3. Slides/Digital images must accompany the proposal.

A. **CURATED EXHIBITIONS:** The curator should select a group of artists and submit 3–5 slides/images per artist of recent work (within 3 years) representative of the theme and focus of the exhibition. The curator will be responsible for submitting the proposal, organizing the exhibition and coordinating all contractual activities with the SSAC.

B. **GROUP EXHIBITIONS:** A group wishing to exhibit together must select a designated curator as above. In some cases, the committee may make curatorial suggestions.

Art Sales:

South Shore Art Center receives 40% of the purchase price.

The Art Center provides:

- printing and postage of a postcard invitation
- advertisements and listings in Art New England and Artscope
- gallery signage
- exhibition installation
- press releases

- insurance of work on-site

The Art Center does not provide (or pay for):

- transportation of artwork to or from SSAC
- unusual installation construction
- transportation or accommodations for artists

Criteria

- **Quality of the work to be shown**
- **Clarity, and power of the exhibition concept**

Exhibitions should have an articulate central idea convincingly presented by the work shown. A Statement of Concept expressing the central idea should accompany the proposal.

- **Capability of the curator to carry out the project**

This includes assuring timely delivery/pickup of artwork, press materials and artist statements.

- **Review of Applications**

Applications are reviewed by a committee of professional artists, educators, and SSAC staff. The committee reviews the application and support materials for the quality of work, educational potential, and clarity. A studio visit may follow.
