INTERNATIONAL MEDICAL GROUP

# Why Consider International Travel Medical Insurance?

Traveling abroad can be an exciting experience. But what would happen if you or one of your family members became ill or injured while away from home? International travel can quickly turn frightening if you're not prepared for a medical emergency.

Most travelers assume they will be covered by their standard medical plan. The truth is, while traditional plans may offer adequate domestic coverage, they are not designed for international travel. Without even realizing it, you may be putting your health - and that of your family - at risk.

You have enough to worry about when you're traveling. Don't let your medical coverage be an uncertainty. International Medical Group® (IMG®) has developed two Patriot Travel Medical Insurance® plans to provide you and your family Coverage Without Boundaries® so you can spend more time enjoying your international experience, and less time worrying about your medical coverage.

## Why Patriot Travel?

The two Patriot® travel plans offer a complete package of international benefits available 24 hours a day. **Patriot International®** provides coverage for U.S. citizens traveling outside the U.S. with coverage for brief returns to the U.S., while **Patriot America®** provides coverage for non-U.S. citizens traveling outside their home country. Both plans are available for a minimum of 10 days up to a maximum of two years, in accordance with the terms of the Certificate of Insurance.

Additionally, the plans offer excellent benefits and services to meet your global travel needs. You have access to international, multilingual customer service centers, claims administrators who process claims from all over the world, handling virtually every language and currency, and 24 hour access to highly qualified coordinators of emergency medical services and international treatment. You can also choose from a wide range of deductibles, several Maximum Limits, and you have access to more than 17,000 providers through our International Provider Access<sup>SM</sup> (IPA) when seeking treatment outside the U.S. You can also reduce your out-of-pocket costs when seeking treatment in the U.S. by locating providers through the independent Preferred Provider Organization.

# A Unique, Full-Service Approach

At IMG, we know that the reasons to travel abroad are many and varied - that's why our services are designed to provide you with the assistance you need no matter where you are.

Our goal is to provide you with Coverage Without Boundaries. By providing global products and services to vacationers, those working or living abroad for short or extended periods, people traveling frequently between countries, and those who maintain multiple countries of residence, IMG is the single resource for all your international travel medical insurance needs.

## ELIGIBILITY

The following conditions apply to all persons applying for and/or enrolling in Patriot Travel Medical Insurance.

- Patriot Travel Medical Insurance is travel insurance for U.S. citizens traveling outside the United States with coverage for brief returns to the U.S., and for non-U.S. citizens traveling outside their home country.
- For those under 65 years of age and visiting the U.S., your initial Period of Coverage must begin within six months of arrival in the U.S. For those 65 years of age and older, it must begin within 30 days of arrival. These requirements will be waived with proof of previous valid international travel insurance. Prior U.S. domestic health care coverage does not meet this eligibility requirement. Please provide the name of your international insurance carrier on the Application Form. If you are not in the U.S. at the time of application, please indicate your expected date of arrival on your Application Form.

## RENEWAL OF COVERAGE

If your Patriot plan is purchased for a minimum of one month, coverage may be renewed (unless there is a break in coverage) for a total of up to two years. Renewals are available in whole month or daily increments and may be completed online or by using a paper application, however, renewals of less than one month are available only online. For

each renewal of less than one month completed online, you will be charged an additional \$5 processing fee. Each insured person must only satisfy one deductible and coinsurance within each 12 month coverage period. *Please note: Renewal rates may differ from initial rates.*

- Eligibility to purchase, extend or renew this product, or its terms and conditions, may be modified or amended based upon changes to applicable law, including the Patient Protection and Affordable Care Act (PPACA).

## QUALITY GUARANTEE

Your satisfaction is very important to IMG. If you are not pleased with this product for any reason, you may submit a written request, prior to your effective date, for cancellation and refund of your premium. If you do not have any claims filed with IMG, you may cancel your plan after your effective date, however, the following conditions will apply:

1. You will be required to pay a \$50 cancellation fee and
2. only full month premiums will be considered for refunds (e.g., if you choose to cancel your coverage two months and two weeks prior to the date your coverage ends, IMG will only consider the two full months for a refund). If you have filed claims, your premium is non-refundable.

## ENROLLMENT PROCESS & APPLICATION FORM

**You should read the following important information prior to completing the Application Form.**

### HOW TO ENROLL

Before you begin your travel, simply fill out the Application Form and calculate the premium for the time period you and/or your family will be traveling. Once you have completed the Application Form, return it to your insurance agent or broker, and/or mail it to IMG.

You, your spouse and unmarried dependent children (over 14 days and under 18 years of age) listed on the Application Form and for whom premiums have been paid will be covered from the **latest** of the following dates:

1. The date IMG receives your completed Application Form and the appropriate premium;
2. the date you depart from your home country; or
3. the date requested on your Application Form.

Patriot Travel Medical Insurance coverage ends on the **earliest** of the following dates:

1. The end of the period for which premium has been paid;
2. the date requested on your Application Form; or
3. the date you return to your home country (however, see End of Trip Home Country Coverage on page 13).

## ENROLLMENT PROCESSING & FULFILLMENT KITS

IMG normally processes Application Forms within 24 hours of receipt. Once processing is complete, IMG will mail a fulfillment kit to the mailing address listed on the application form. The fulfillment kit will include an IMG Identification Card, IMG contact numbers, claim forms and your insurance certificate providing a complete description of your coverage under the contract. *Please note: If you require express mail delivery, there is an additional charge listed on the Application Form.*

## ONLINE FULFILLMENT KIT

For convenience, approved applicants may choose to communicate electronically and download their fulfillment kit from the IMG website for immediate access. To do this, you must check the appropriate box listed in Section 2 of the application form. We **must** have your correct email address to complete this process. If IMG has processed and approved your application form, you will receive an email from IMG that contains all of the hyperlinks to easily obtain the fulfillment information through the Internet.

## CLAIMS PROCEDURE

### PRECERTIFICATION

Each proposed hospital admission, in-patient or out-patient surgery, and other procedures as noted in the Certificate of Insurance must be Precertified for medical necessity, which means the insured person or their attending physician must communicate with an IMG representative at the number listed on the IMG identification card **prior** to admission to a hospital or performance of a surgery. In case of an emergency admission, the Precertification call must be made within 48 hours of the admission, or as soon as reasonably possible. If a hospital admission or a surgery is not Precertified, eligible claims and expenses will be reduced by 50%. It is important to note that Precertification is only a determination of medical necessity, not an assurance of coverage, verification of benefits or a guarantee of payment. All medical expenses eligible for reimbursement must be medically necessary and will be paid or reimbursed at usual, reasonable, and customary rates. Please refer to the Certificate of Insurance for full details of the Precertification requirements.

**For Precertification, emergency evacuation, and return of mortal remains, please call:** IMG in the U.S.: 1.800.628.4664 (toll free) or 1.317.655.4500. Call IMG outside the U.S.: 001.317.655.4500 (collect if necessary). This information will also be provided on your ID card.

**Note:** An insured person may begin the Precertification process through MyIMG or the Client Resources section of our website, [www.imglobal.com](http://www.imglobal.com). Simply look for the Precertification option. You will be asked to provide the required information, which can then be submitted electronically to IMG. Once we have confirmed receipt of your request, our utilization management and review team will review the information provided and respond to the insured person or the provider within two business days. Please note that this online service will only initiate the Precertification process, and it should not be used to Precertify emergency admissions, procedures, or evacuations.

## CLAIM PAYMENT

All benefits payable under Patriot Travel Medical Insurance are subject to the terms and conditions in the Certificate of Insurance. To make claim processing efficient, claims may be paid in two ways:

1. Eligible expenses that have been paid by or on behalf of the insured person may be reimbursed by check directly to the insured person.
2. Eligible expenses that have not yet been paid by the insured person may, at the option of IMG, be paid either to the insured person or directly to the provider.

**Claim forms can be accessed at [www.imglobal.com](http://www.imglobal.com)** and mailed to International Medical Group, P.O. Box 88500, Indianapolis, IN 46208-0500 USA. All IMG contact numbers, claim forms and the Certificate of Insurance are included in the fulfillment kit. IMG may also be contacted by fax: 1.317.655.4505 or email: [insurance@imglobal.com](mailto:insurance@imglobal.com).

### TERRORISM COVERAGE:

Each Patriot plan provides coverage for injuries and illness incurred as a result of an act of Terrorism, limited in amount and by circumstances. If an insured person is injured as a result of an act of Terrorism, and the insured person has no direct or indirect participation in the act, the plan reimburses eligible medical claims subject to a \$50,000 lifetime maximum. Terrorism includes criminal acts, including against civilians, committed with the intent to cause death or serious bodily injury, or taking of hostages, with the purpose to provide a state of terror in the general public or in a group of persons or particular persons, intimidate a population, or compel a government or international organization to do or to abstain from doing an act. However, this benefit does not cover an act of Terrorism in any country or location where the United States government has issued a travel advisory that has been in effect within the six months prior to the insured person's date of arrival. In addition, claims incurred as a result of radiological, nuclear, chemical or biological weapons or events are not covered.

This benefit also does not cover an act of Terrorism in the event that an advisory to leave a certain country or location is issued by the United States government after the insured person's arrival date, and the insured person unreasonably fails or refuses to heed such warning or depart the country or location.

### IDENTITY THEFT ASSISTANCE:

If an imposter obtains key personal information such as a Social Security or Driver's License number, or other method of identifying an insured person in order to impersonate or obtain credit, merchandise or services in the insured person's name, the Patriot plans provide coverage up to \$500 for the reasonable, customary and necessary costs incurred by the insured for: re-filing a loan or other credit application that is rejected solely as a result of the stolen identity event; notarization of legal documents, long distance telephone calls, and postage that has resulted solely as a result of reporting, amending and/or rectifying records as a result of the stolen identity event; up to three credit reports obtained within one year of the insured person's knowledge of the stolen identity event; and stop payment orders placed on missing or unauthorized checks as a result of the stolen identity event.

The identity theft event must occur during the Period of Coverage.

### LOST LUGGAGE:

A benefit of \$50 per luggage item, up to a maximum of \$250, is payable in the event that the Common Carrier permanently loses an insured person's checked luggage while in transit. This coverage is secondary to any other available reimbursement, including the Carrier's.
