Drama Xchange

For Jr and Sr High Students

... presents an opportunity for your school's drama department to interact with professionals in the dramatic arts community, to perform in a showcase for their peers and to exchange ideas about the power of Story as a redemptive influence in today's culture.

School Performances

Each school will be given a twenty-minute (maximum) performance time to showcase the work of your students. It will be performed on a blank stage under theatre lighting. It is a great opportunity for a sample of a full production, or a variety of scenes, monologues, etc. Each school will be adjudicated by a professional theatre artist who will lead a feedback session following the performance.

Theatre Sports

An impromptu performance opportunity for schools to play together as teams, and to intermingle and enjoy each other's risks and successes.
