

# Eula Independent School District

## Parental Agreement for Use of Parent Access

### **PARENTS MUST COMPLETE THE BOTTOM PORTION**

Eula Independent School District (ISD) is an accredited public K-12 education institution with three campuses; Elementary, Middle, and High schools respectively. The student accounting software used at each campus of Eula ISD allows for parental access of their child's grades and attendance. As a parent of a student enrolled at Eula ISD and desiring to have access to this information, you must understand and/or agree to the following:

1. You are the only person outside Eula ISD administrative staff that has access to your account.
2. You are responsible for maintaining the security of your child's information through your account. By signing this form you agree to keep your username and password secure.
3. All information contained in your child's records is only official when the data is finalized at the end of each school year. Until that time, Eula ISD reserves the right to keep student records open in order to guarantee their accuracy.
4. There will be times when student data may be inaccessible for administrative purposes.
5. The data is *almost* real-time. However, there will be times that data entry by teachers may be delayed for various reasons.
6. Contact with the school will be through appropriate channels. We encourage you to talk to teachers about your child and their progress through face to face dialogue, e-mail, or by telephone. Contact with the appropriate principal will follow if necessary. Communication with the Superintendent will follow contact with the Principal.
7. If your child is not in attendance and you know they should be, please contact your student's campus. Attendance is input by 10 AM each morning in Elementary School. It is input each period in Middle School and High School.

Eula ISD is dedicated to providing the best education possible for your child. To enhance this education there must be parental support and involvement. This is another step to maintain communications between the school and parent. We hope you will find it beneficial.

As a parent of a student at Eula ISD I have read, understand, and agree to the **Parental Agreement for Parent Access**.
