## **Iraqi Student Project: Student Application Form for 2011-2012**

There is never any cost to apply to ISP.

You are welcome to complete this form and send it to ISP if you meet the conditions listed on the web site under *Before You Submit an Application*. Priority consideration will be given to applications submitted by June 1, 2011. The sooner you apply, the greater the likelihood that your application will be considered. Please note that we can accept only a limited number of undergraduate candidates this year.

## **Instructions**

- 1. Print this application.
- 2. Put your name at the bottom of each page.
- 3. Type your responses or print them <u>clearly</u>.
- 4. When you have completed the application, scan all the pages and, if possible, make one PDF file to send as an attachment. Your essay can be included in the PDF file or sent as a separate attachment. Scan your high schools records and send with the same email message (as a PDF file if possible). We prefer to see all your records from grades 9 through 12, but we must see your records for the baccalaureate year and at least one other year.
- 5. Send one email with all attachments to this address:

Gabe Huck and Theresa Kubasak <gabeandtheresa@gmail.com>

## What Happens Next?

Within a week of receiving your application, we will notify you by email that it has been received.

If you are not accepted by ISP, what other plans do you have to continue your education?
Where do you think you will be living in ten years?
<i>ISP will never ask for money from you or from your family.</i> However, it is important that we understand your family's financial situation. If possible, please answer these questions:
How much money, from any source, did your family receive in 2010?
What do they expect for all of 2011?
What does your family have in savings?
What is the value of property your family owns?
Many more questions about your family's finances will be asked by the colleges and universities if you become an undergraduate candidate with ISP.
Questions about ISP
Do you know anyone who has been an ISP student? Yes $\square$ $\:$ No $\:\square$
If Yes, who?
How did you hear about ISP?
If you are accepted as a candidate for ISP, you will live in Damascus and work with ISP from September 2011 until July 2012. You will be studying English, math and academic skills for US colleges/universities. If you are accepted, do you agree to live in Damascus and to spend 15 to 20 hours each week in class?
Yes $\square$ No $\square$
The Autobiographical Essay
Please write an essay of 300 to 500 words about the story of your life until now. Your essay can be a separate attachment or it can be part of the PDF with the rest of your application.
Further Information
On a separate page you may write any further information that will help ISP know you better. For example, you could tell us more about your academic background or your interests or your goals.
High School Records
Please scan and attach your high school records (grades 9 to 12). An official English translation of all available academic records will be required.
Remember to put your name at the bottom of each page of this application before you scan the pages.
