PRINCIPAL'S REPORT

Welcome Back to Term 2

Welcome back to everyone from the holiday break. I trust that you were able to enjoy time with family and friends, relaxing and recharging for the weeks ahead.

As you will note from the 'Important Dates' listed above, there is plenty happening and we look forward to another exciting Term at Essex Heights PS.

Compass for Parents

Yesterday you would have received your family login details for the Compass Parent Portal. As outlined in the accompanying bulletin, this will improve and streamline communication and administrative tasks between home and school. I would encourage you to check

regularly as we will increasingly use Compass for notices and communications from school. Ultimately, all notices will be emailed and posted on Compass, thereby reducing the need for paper notes to be sent home with the children. Initially we will provide both, as families get used to the new system, but eventually we will phase out hard copies. We will also begin (from this week) posting Contact on the Compass News bulletin board as well as the school website each week. Please note that you can also download an app for tablets and smartphones, 'Compass School Manager'.

'Land Down Under' Dance Program

A reminder to parents of the booking process for the upcoming Dance Concert on May 2nd & 3rd. Please log into the TryBooking site (link below) and order your allocated 2 x Tickets per family. This must be completed by April 22nd so that we can then make any extra tickets available for those who would like them.

District Sport Results

During the last weeks of Term 1 we had 5 teams still in contention for overall winners for our Interschool Sport Competition. This was a great achievement for the children and teachers of Yr 5 & 6 and we are very proud of their efforts.

The results were outstanding with Boys Softball as well as Girls A and Girls B Softball teams winning their respective sections. Volleyball Girls finished in equal 1st position at the end of the season and will play a Final in early Term 4 to decide the overall winner. The Volleyball Boys team unfortunately lost their final game and finished third overall.

The Boys and Girls A Softball Teams have now qualified for the Division Finals and we look forward to supporting them at this next level of competition.

Thanks to Ben Wooster and all the Yr 5/6 teachers and parents who trained, coached and supported all the teams throughout Term

1. Particular thanks to Con Papanicolaou, who has worked with the Softball Teams and coached them to this terrific result.

ANZAC Day Service

We have planned our ANZAC Day Service for Friday, April 22nd at 10:00am. The whole school will participate and we will assemble together at the flagpoles (on the basketball crt). This year we will also be commemorating the Centenary of the Gallipoli landings in 2015, by planting a 'Gallipoli Oak'. This has been propagated and grown from an oak on the Gallipoli Peninsula and has been supplied to schools across Australia following the Centenary celebrations last year. We would invite any children who are members of Scouts, Guides, Cadets or similar groups to wear their uniforms to school on that day.

We would like to invite interested parents to join us on that day for the ANZAC Day Service, which will last for 30-45mins.

Smoking Ban

Last year the Victorian Government introduced smoking bans across a range of areas. Included in these bans is a 10m exclusion zone around playgrounds and sporting fields and a 4m exclusion zone from any entrance to primary or secondary schools. The legislation effectively makes smoking around our school a fineable offence, given the number of entrances, sporting fields and playgrounds in and around Essex Heights PS.

Pupil Free Days

Please note that School Council has approved the following date for our next Pupil Free Day allocated by DET. It will be on **Friday, July 29**th as a Reporting and Assessment Day. Children will not be required at school on that day.

See you around the school,

Andrew

Science Rocks at E.H.P.S.

Our school applied to be part of the Amateur Radio on the International Space Station (ARISS) program and was successful! 'ARISS lets students worldwide experience the excitement of talking directly with crew members of the International Space Station, inspiring them to pursue interests in careers in science, technology, engineering and math, and engaging them with radio science technology through amateur radio

Astronaut Sunita Williams, KD5PLB, talking to students from the ISS ham radio station.

Our school has been given the week 16 - 22 May 2016. At this stage we have not been notified which date or time. It may be out of school hours and may even be an evening. It will be at the school. We will not have a direct contact, instead we will be using a telebridge which means we will link with our ARISS partner, Tony Hutchison in Adelaide. http://www.electric-web.org

We would like to select 10 students from Years 3 to 6. There would be 2 students from each grade level and 2 students from between Years 3 to 6. Each student should be able to ask one question and possibly two questions during the interview. The interview should last about ten minutes. At this stage we don't know which astronaut the students will be interviewing.

If your child is interested in being selected to be part of the team interviewing an astronaut would they please submit in writing *why they would like to be selected and why ISS is important*. Please handing in to Jenny Austin or place in the ISS box in 3AW classroom (Portable 2), **no later than Tuesday April 12**th.

Thank you

Jenny Austin

Victorian Premiers' Reading Challenge 2016

Once again students from across Victoria have a chance to take part in the Victorian Premiers' Reading Challenge in 2016. The students of Essex Heights have been participating in this since it began and we see it as a means of promoting the importance of reading among students in our school. This year the Victorian Government is encouraging families and parents to be more involved with supporting children's reading, in and beyond school. Before the end of term your child will bring home a permission form for the 2016 Premier's Reading Challenge.

Successful Challengers receive a Certificate in Term 4.

For your child be awarded the certificate, you will need to sign the permission form. There is no charge for the certificate. Student's names will also be published in an edition of the Sunday Age if you give permission.

Let's keep up the Essex Heights tradition of being ambassadors for the Reading Challenge in 2016. Attached to the newsletter is a letter from the Premier, Daniel Andrew's promoting not only the Premier's Reading Challenge but also the benefits of instilling a love of reading in your child.

Please return the permission form to your class teacher as soon as possible so that your child can get started on their personal challenge.
