Varsity Football 2014

I (_____) agree as a member of the Lopez varsity football team to abide by the team, school, league and WIAA rules regarding eligibility. The use of alcohol before the age of 21 is against the law in the state of Washington. Drugs, alcohol and smoking are against the team, league, and WIAA rules. Use of alcohol, drugs, or smoking during the football season is prohibited. If you are participating in these activities you will be removed from the team.

You must understand the above and promise to not use drugs, consume alcohol, smoke, or attend any party where underage drinking or illegal drug use is taking place during the 2014 football season. This type of behavior not only hurts you but also your teammates. Let's make a commitment to one another.
