Fastenings

In textiles we use different types of fastenings to secure our items. We need to be able to open and close certain items such as Cases, Wallets and bags so that the things inside stay secure.

Look at the example below and make a list of the items which use VELCRO as a closing method. (At least 6 items).

Invent a Slogan!

Using only the letters in VELCRO make up a snappy Slogan that suggests what it is used for.

- V elcro *My example*
- E ven *does not make*
- L ooks *sense and isn't*
- C old *at all Snappy!*
- R ed *Can you do*
- O val *better?*

V _____

E _____

L _____

C _____

R _____

O _____

Use that Slogan!

When you have completed this sheet, turn over and design a poster using your slogan. Use plenty of colour and make sure it stands out!
