## Ontario County Fair

## Battle of the Bands / Talent Show entry form

Scheduled to start Friday July 24, 5:00pm at the Fairgrounds

The Ontario County Fair wants to see your talent. From singing, to just performing we encourage you to show off what you have. Talent winning at the County level qualifies for a talent show at the NYS Fair, with the exception of bands. The turnover of talent at the State Fair is very quick and they don't have time to allow for each group to have more than a minute of set up time. At the Ontario County Fair we want to take the time to showcase band talent, so we are providing an entry class for bands. Judging and scoring will follow traditional County Fair guidelines, with judges having experience in the field they are judging and each judge following a rubric scoring system.

Please fill out the following application and send it back, we will schedule you for a time and get back to you.

There is no entry fee, but paying for parking at admittance to the fairgrounds is expected. Parking is \$8.00 per car load, or \$5.00 per singles in car, and motorcycles, and walk-in's.

We will judge the competition by act category, as well as age. There are 2 age groups; for single person acts those categories are 12 and under, and 13 and over. For groups preforming your category will be determined by the age grouping of 50% of your group. For example a group of 3 where two are 13 and one is 12, will be placed in the 13 and over grouping. If you are split evenly just make a note of that and we will sort it out.

	Age category you are entering (check one):							
	(50% of participants 13 and over)(50% of participants	is 12 and under)						
	If your group does not fit neatly into either category then please list participants names and birthdales at the end of this form.							
1.	Name & Mailing Address: (Please fill this out completely – if a group pick one member to be the contact)							
	Name:		_ Street:
