WORLDWIDE VOYAGES 2017

2017 JOURNEYS

A superior level of discreet exclusivity. A culinary partnership with Relais & Châteaux®. All-suite accommodation with the head-to-toe pampering of a butler. Silversea's boutique ships are for those who delight in the thrill of discovery while indulging in the most lavish surroundings imaginable. And now with the addition of our new ship, *Silver Muse*, our 2017 journeys offer more voyages ... and even more of what discerning travellers love about Silversea.

Step aboard and into a convivial atmosphere of heartfelt hospitality. Get to know fellow guests with interests similar to your own. Silversea's all-inclusive lifestyle means there's nothing to sign for. It's all part of our Italian heritage, the warmth and charm of *la dolce vita*. Welcome.

THE SUN THE MOON ... PLUS EVERY CORNER OF THE PLANET

Superb cuisine, the supreme pampering of a dedicated butler ... plus a celestial choice of all-inclusive voyages to the world over. Travel in its most consummate form? We think so.

With the addition of the beautiful new *Silver Muse*, we now have six boutique ships that can transport you in the most heavenly way imaginable to the most intriguing destinations on earth. All told we visit over 385 destinations, aboard 169 breathtaking voyages — aboard our fleet of intimate ocean-going ships. And that includes places you'll only find aboard a smaller ship, like the diverse and spectacular island-wide wildlife sanctuary of Sir Bani Yas, in the U.A.E. Or the staggeringly beautiful Ilhabela, off the coast of mainland Brazil, with its heralded waterfalls for every day of the year.

Smaller simply does get you closer. Our ships can sail down the River Thames right in the heart of London and transit the Kiel Canal into the Baltic instead of taking the long way around. They can cruise up the Chao Phraya River right into the port of Bangkok while others must anchor hours away. From getaways to grand voyages, from thrilling adventures to an epic world cruise, from discovery and exploration to sun, sand and sea — whatever you dream of, wherever you dream of going — we can make it happen. Now more than ever.

ACCESS ALL AREAS

There is something uniquely satisfying about a smaller ship. The intimacy. The camaraderie. The excitement of calling at secluded harbours where others cannot go. Our intimate ships can transit narrow waterways and tie up dockside while others must anchor off shore. That means less tendering and more time to explore. Our fleet of small luxury ships not only put you closer to the world's most wondrous sights - their intimate size helps to create unforgettable memories.

SILVERSEA

SILVER CLOUD — 296 GUESTS SAILING THROUGH TO AUGUST 2017

Resembling a private yacht, *Silver Cloud* sets the standard of excellence as the inaugural ship in our fleet. She provides the most intimate sailing experiences, the luxury of space and the ability to slip into exotic ports off the beaten path.

SILVER WIND — 296 GUESTS

Silver Wind embraces Silversea's most lauded features ... fewer guests, more space and highly personalised service. One of the most intimate ships afloat, she is still large enough to offer multiple entertainment venues, plenty of room on deck and a spacious spa.

SILVER SHADOW — 382 GUESTS

Silver Shadow takes award-winning, all-suite luxury to the next level while maintaining Silversea's genuine hospitality and intimate, elegant ambience. This ship features one of the highest space-to-guest ratios in cruising.

SILVER WHISPER — 382 GUESTS

Maintaining an intimate ambience, *Silver Whisper* offers many amenities usually found only on larger ships. She reinforces Silversea's reputation for combining small-ship service with a choice of wide-ranging facilities.

SILVER SPIRIT — 540 GUESTS

Silver Spirit combines our distinctive luxuries and celebrated lifestyle with new enhancements, including six dining venues, an expansive 8,300 square foot spa, a resort-style pool, four whirlpools, and the largest suites in the Silversea fleet — 95% with private verandas.

SILVER MUSE — 596 GUESTS SAILINGS COMMENCE APRIL 2017

Offering the highest number of large suites aboard any of our ships, *Silver Muse* fuses state of the art technology, Italian craftsmanship and luxury modern amenities. Look forward to eight innovative dining venues, multiple culinary options and new and improved facilities aboard.

YOUR SANCTUARY *at SEA*

After a day of museum visiting in St. Petersburg, zip-lining in Mauritius or whale-watching in Alaska, you're warmly welcomed back on board like a long-lost friend. And when you enter your suite, everything is meticulously groomed, everything perfectly in place. Thick terry towels and designer toiletries in the bath? Certainly. The feather pillows you requested and Pratesi linens on your beds? Of course. Another bottle of Sauvignon Blanc and a few extra bottles of water? No problem. Your ice bucket is full and crystal flutes await the celebratory gesture. Ask your butler to bring some hors d'oeuvres as you step out on your veranda for a breath of fresh ocean air. Or have him reserve a private car for your next port of call. Around the world and around the clock, your butler is available to pamper you with countless services. So relax. Settle in. Enjoy.

PREPARE *to* BE SPOILT

Catering to your every desire. Uncommon attention to detail. Ensuring that you feel free from all responsibilities. No wonder that year after year, Silversea wins the highest accolades in the industry. And it's not only because our crew/guest service ratio is one of the very highest at sea. Our experienced and highly trained staff delight in making each guest feel pampered with attentive and sometimes intuitive service rendered in discreet and seamless ways. There's the bartender who knows you prefer your martini shaken not stirred, the deck attendant who hands you a towel as you exit the pool, the chef who surprises you with a smile and your favourite soufflé prepared à la minute. It is this carefree lifestyle, this delicious sense of freedom and well-being that is the very essence of the Silversea experience. An experience that leaves you yearning for more.

INGREDIENTS *of* EXCELLENCE

A key component of Italian culture, fine dining has been a centrepiece of the Silversea experience since the very beginning. Partnerships with such high-profile names as Relais & Châteaux and Slow Food keep us at the cutting edge of the culinary scene, and we are continually pushing the boundaries with local, traceable, sustainable and other ethical food trends. Thanks to the size of our ships, our chefs can source produce and seafood directly from the ports we visit. Our menus always include a choice of ocean-fresh fish, crisp salads, prime cuts and vegetarian options. This year there's a new raw bar and gelato bar. And we're particularly delighted to present dessert creations by the winner of the 2015 Pastry World Championship, Fabrizio Donatone.

What do we serve? What do you prefer? Our master chefs prepare a global range of inventive creations and regional specialities, all artfully presented with every micro-green morsel perfectly in place. There's also a generous choice of fine wines from some of the world's foremost wine regions. Or inveterate wine buffs can choose from our premium list of Connoisseur Wines — a Bordeaux Grand Cru, a Barolo label or a Napa Valley cabernet, just to name a few. Whether you prefer to sip and savour your repast at an indoor or outdoor dining venue, or served course-by-course in the privacy of your suite, as always at Silversea, the choice is yours.
