Dear Friends,

The Cohoes Community Center is an independent, multi-purpose, nonprofit organization that serves the citizens of Cohoes and people of the surrounding Capital District. For the past 39 years our continuing mission has been to provide recreational, fitness, educational, and vocational opportunities and programs to the community at large. As an independent nonprofit agency, we subsist solely through fees that our programs generate and receive no national funding. We are taking this opportunity to contact you for your support in an effort to keep the Cohoes Community Center a vibrant resource.

As we near our 40th Anniversary, we reflect back on four decades of programming history that has benefited the Capital District and adapted to meet the changing needs and interests of those that we serve. Serving children as young as 18 months of age to senior citizens, the Center strives to provide programming for people of all ages. Youth and working families make use of our child care and camp programs. Teens enjoy a refuge from the streets engaging in positive pursuits, such as weight training or basketball. Adults unwind from their workday with a vigorous workout at a judgment free affordable environment. Seniors especially enjoy our programs, socializing with friends, rehabilitating from an extended hospital stay, or just keeping their doctors happy by staying active in our water aerobic programs.

More than just a fitness facility, the Center serves as a multi-purpose gathering place for the community at large and plays host to a number of community and civic organizations such as: AAU Basketball leagues, Youth Basketball, Soccer, Football, Baseball /Softball leagues, and Boys & Girls Scout Troops. We serve as a training location for the American Red Cross, New York State Lifeguard testing, Cohoes Police Department, and most recently the Cohoes Fire Department.

In the current economic climate, non-profit agencies such as ours, have felt the sting of this climate most significantly. We are asking for your donation so that we may continue to provide vital programming for the people of the Capital District and continue to be a valued partner to the worthy programs that make use of our facility.

Any donation would be greatly appreciated! Donations can also be made through our website: www.cohoescommunitycenter.org using **PayPal**, MasterCard, Visa, or Discover.

On behalf of the Center's members, guests, and beneficiaries, we would like to thank you for your generous support of our Center.

Gratefully,

John M. Doemel
