RE VIEW

WITH

GINI RAGAN

Since the last Checkpoint, SCCA has had 2 conventions that should be of interest to the Kansas City Region members. One was the National Convention held in Las Vegas and the other was the Midwest Division (Midiv) Convention held right here in Kansas City. There were a total of more than 400 SCCA members at the National Convention. I will not attempt to name those attending either convention, but I can remember seeing at least 10 KC Region members in Las Vegas. The Midiv convention had more than 100 attendees with more than 30 being KCR members.

A theme of both conventions was "Make it Easy – Make it Fun" with an emphasis on recruiting, and retaining members. This is also a concern of mine and the membership of the Kansas City Region Board of Directors. Our membership number is lower than I remember it ever being (around 550.) Norma Williams has been Membership Chairperson for a number of years and is a great resource. She can provide help if your license or membership cards are not correct, she can help get them corrected, and she can provide information for new and prospective members including info for licensing and annual tech. Norma sits with a novice applicant and helps with forms etc. so a driver has what he or she needs when they arrive at the track and school.

This year Chelsea and Ken Snyder and Kathy and Tony Giordano will be working with Norma. They will be contacting prospective members and the weekend members, as well as those members that have not renewed their memberships.

You, too, can help our club by sharing with your neighbors, co-workers, family and friends your experiences in SCCA and inviting them to a meeting or event. Most people have to be asked; they just don't volunteer without asking! There are incentives for recruiting new members as well as the incentives for volunteering. I hope you will become a member of the membership recruitment team for the Kansas City Region.

Until the next time

Notes from the National Convention

The National Office has developed an incentive program for volunteers at Club Races. Credit towards the members' dues is given for days worked. It is necessary for the volunteer to register the days worked. This can be done by logging onto SCCA.Com and clicking the LogIn button on the right hand side of the bar. You will need your member # and password. Next you click on the Member Home Page and then volunteer participation. In the middle of the next screen is a line titled Active Participation Information; click add under that line. A screen with blanks for the date worked and a drop down button lets you select the event worked; there is also a drop down that lets you select number of days worked. After you filled in all the blanks, click save. You will be credited with the days worked and when your dues billing comes you will be pleased to find a reduction in the amount of dues due. This program does not affect our clubs income from dues as it is funded by a small fee collected from drivers thru registration.

Any member can take advantage of this program by volunteering at any SCCA sanctioned race. There are many areas of specialty where one can volunteer. For on the track-close to the action, try Flagging and Communication; to examine race cars, check out tech; you want to meet drivers, volunteer to work the grid or registration; Course Marshal (emergency services) offers an opportunity to work on a hot track where the action is; T&S offers a chance to use your technical skills or some manual ones. Other opportunities are offered in Sound Control, Hospitality, Race Administration or in the Pits. By volunteering, you can help your club and get some credit, up to \$30.00, toward your dues.

Notes from the Midiv Convention

At the Midiv Convention, the executive committee which includes the Officers and the voting RE's, agreed to continue the incentive program **Vroom**. Vickie Jaracke and Janet Barry will be the co-chairman this year with Mark Walker continuing as points keeper. Vickie and Janet were charged with bringing recommendations for changes and improvements to the Board within 60 days. Until that time, the current catalog is still available.

You can go Midiv.org to review your points and select an item of choice. There are shirts, polo or twill, light weight jackets and heavy jackets. They are personalized with your name and your date of membership. Wearing these items at events, races, meetings or around town help promote the Midwest Division and SCCA. The wearable you might receive, although free to you, is a promotion of our sport and our organization. Please do not hesitate to acquire these items. Here is how you do it

Visit the Midwest Division website (Midiv.org) and click on **HOME**, left side of screen; then click on **VOLUNTEERS**, also left side of screen, scroll to box where you are asked to enter your name, then scroll to find your name. Now you know how many points you can redeem, look at the catalog and make your selection and then fill out the redemption form (following directions) and receive your Midiv Promotion items. If you question your points (days worked), contact Mark Walker@dvti.com. If you worked a race in the Midwest Division in 2008, you probably registered for this program. If you don't find your name, you may need to register and there is copy of the sign-up sheet available on the Volunteers page with easy directions.

Any member of SCCA can benefit from this program. All they need to do is register to volunteer at any race in the Division and of course, work the race. It only takes a few days, usually weekends, to build up the points to receive those benefits. I hope all of you in the Kansas City Region will step forward and receive your share of the benefits.

Errors: Mark Hill, was a first place winner of the Regional Solo Awards in A Stock and was not recognized as such in the February issue of Checkpoint. Sorry Mark, I'll get all these Hills figured out, one day.

2009 Runoffs Tech Team Invites You to Join the Team

The SCCA National Championship Runoffs has a great Tech Team moving to Road America for 2009 but there is **room to include you** in the plans. We invite you to be part of the exciting SCCA National Championship Runoffs: **September 21-27, 2009.**

Come to the Runoffs! See the cars — up close. Meet the drivers and crews. Meet other people with the same tech interest as you have. Make new friends. Be there 5 days or 10.

What we do:

1. At Driver Check In we greet the drivers, make sure the car's information on the tech entry card matches the specifications for the class. (instructions and specs are included for on the job training) and issue tech decals.
2. We do annual inspections on cars and issue log books for new cars.
3. We assist the drivers with post crash inspection to help get the car safely back on the track.
4. We work with the Category and Class Chiefs to make the compliance plan for post qualifying and post race. We make the plan and complete the plan.
5. We congratulate the winners and celebrate with our friends.

What do you need to do to join the team? 3 simple things:

1. Send an email to scrutineer@scca.com and let us know that you will be there and what you would like to do. Do this soon.
2. Register when SCCA opens registration.
3. Be at the Runoffs. See ya' there!

The Things People Think We Don't Do, We Really Do Do.

We suppose you can't really blame people for not realizing a true fact.

We're the best vintage car shop in town, so lots of people just assume we don't offer:

STREET CAR PREVENTIVE MAINTENANCE — Oil changes, lube, shocks, brakes, exhaust, front drive service — we do it all!

UPHOLSTERY — Choose from the same wide range of colors and styles you find anywhere.

BODY WORK — Our specialists have always been first class in aluminum body repair and fabrication. Surprise — we do steel and fiberglass, too!

PLUS -- We still offer the other quality design and fabrication services we've built our reputation on.

So if you take it to the street, take it to us — the car experts who really do do.

February Meeting Recap:

*Our **Bring a Friend** promotion brought 2 visitors to our February meeting.*

Paul Langley, a motorcycle and car enthusiast from Overland Park, joined us to learn more about our organization. Paul has participated in several Heartland Park track days...*on 2 wheels*. He owns several Chevrolet V8 motors and his interests seem to lean towards power versus momentum racecars.

Chris Reynolds is a recent empty-nester who is ready to pursue his interest in motorsports. Chris and his wife currently reside in Belton, MO. Chris has wrenched on cars since he was 14 and has made a living of it at times. He has an interest in open-wheel racing, but is eager to get in any type of car to get started.

New member, **Frank Fisher**, also attended. This was Frank's 1st Race Group meeting. Welcome, Frank! Look forward to seeing you back in March.

Jim Wheeler provided the AV equipment to show the **MidDiv Racing Season Highlights DVD**, which was quite entertaining. Several of the video stars were in attendance. The Matts were both there (**Matt Potter and Matt Rivard**), as well as **Charlie Clark**, and previously mentioned **Jim Wheeler**.

Upcoming March Meeting:

A: Tuesday March 17th **Q:** What is the date of the next Race Group Meeting!

Practice answering in the form of a question because we are going to play **SCCA Jeopardy!!!!** This is a team sport (we will split into teams upon arrival) and will challenge our members to "question" the "answers" in Checkpoint, the GCR, the SCCA Website. This will be a lot of fun and a good source of information for new members too!

Look forward to seeing you all there!

Your 2009 Race Group Chair,
Meredith Haupt, a/k/a "Mere", #75 EP

Dear Mom:

Mirl Swan will be going Pro Racing in Formula Atlantic this year. He will be moving to Youngstown, Ohio the end of Feb or first of March. He will set up a shop, prep pro cars and also be driving a pro race car. Good luck Mirl.

Dale Smith has a new job. He has been hired by KU in Lawrence, KS as an electrician. He gets to go to all games in the auditorium and will sit down on the "floor".

Ellen Wilkins Wolf , a mixed media artist, has a showing at the Community Christian Church Gallery, 4601 Main, KCMO. The show will be held from March 1st thru April 24th. The Church was designed by Frank Lloyd Wright and very unique. This showing called "Observations" is a selected solo exhibition. The opening reception was held Sunday March 1st and KCR members attending were Victor LaViola, John & Phyllis Nelson, Charlie & Sharlene Smith and Charlie & Norma Williams. (At least those were the ones Mom saw there).

Ellen is also entered in a juried show at Irene B French Community Center Art Gallery in Merriam, KS. This is the 13th Annual Heartland Artist Exhibition and will be from March 8th thru March 28th. She has three pieces accepted and the opening night reception will be Saturday, March 7th with prizes awarded at 6:30pm.

Melissa McGinley and Matthew Smilor were married on February 21, 2009 at Our Lady of Sorrows Church with a reception at the Loose Mansion. Melissa is the daughter of Mike and Mary McGinley. She graduated from the University of Kansas with a Bachelors of Social Welfare, where she was a member of Alpha Gamma Delta. She is employed by The Goddard School. Matthew, son of Dr Raymond and Judy Smilor, graduated from the University of Colorado with a Bachelor of Sociology, where he was a member of Phi Kappa Psi fraternity. He is employed with Tiffany Greens Golf Club.

Frank Fisher, new KCR member, has received his novice permit and is planning on entering the double school/regional race in April at MAM. He will be driving a Fiesta.

Charles Guenther has renewed his novice permit and will be racing his Thunderbird at the double school/regional race in April at MAM also.
