

A PUBLICATION OF THE KANSAS CITY REGION SCCA

A beautiful morning, cars lined in grid,
 the smell of race gas.
 Doesn't get any better than that.

A Few Words From Joe:

Congratulations once again...at the last Officers and Board of Director's meeting, Norma Williams reported that our Kansas City Region membership is now at 523. That's an increase of 43 new members for this year. Fantastic!

Lincoln Pro Solo and National Tour over Memorial Day weekend-Huge turn out for both events with our Kansas City and Kansas Regions bringing home a bucket load of trophies.

Joe Tasler,
KCRSCCA Regional Executive

ATTENTION ALL RACE DRIVERS & SOLO DRIVERS

*At the July 14th/15th race at
Heartland Park Topeka,
the Kansas City Region is trying something NEW!*

We will place a solo driver as a "crew member" with a race driver for this event only. If you, a race driver or a solo driver are interested please contact Norma Williams at work 913-262-6300 or cell 913-233-9645 or email at kcmomwilliams@aol.com. Please let us know what you drive as a solo car and we will place you with a race car driver with similar vehicle.

As of now, we have 8 race drivers interested but only 2 solo drivers signed up to do this.

YAKETY YAK

Dear Mom:

On May 9th, Bonnie Haupt, Loose Park Herb Garden chairperson, presented the program at the meeting of the Greater Kansas City Herb Study Group. The meeting was held at the Loose Park Garden Center at 52nd & Wornall Road.

The first of May, the Triple D Racing Group - Dan Axtell of Kansas City, Don Vaughan of Weatherby Lake and Duane Dean of Olathe - ran the 2012 Cannonball Tire Rack One Lap of America. The first Cannonball One Lap of America was run in 1984 with the start/finish in Connecticut. They drove a 2003 stock Mercury Marauder (there is a competition class to fit every automobile). They drove nearly 24 hours a day going from track to track, with the competition taking place on race tracks. It is a competition of endurance and vehicle preparation with no support crews. The tires used on the street are the same ones that they race on with only 1 set per team. The competitors battle fatigue, weather, traffic and the demands of high-speed competition with both unknown amateurs and seasoned professional drivers. Each team must have a minimum of two drivers who have had some racing experience. Tracks visited this year were: South Bend Motor Speedway, Autobahn Country Club paved Oval, Mid-America Motorplex, Hallett Motor Racing Circuit, High Plains Raceway Road Course, Motorsports Park Hastings Road Course, Brainerd International Raceway Road Course, Brainerd International Raceway Drag and Road America. A few days before the event there were 75 cars entered and entry fee was \$2,900.00 per team. The team finished with a 95:43:775 cumulative time and 1415 points. Guys, you made us all proud!

On Mothers Day, Keith, Cheryl & Isabella Williams invited Charlie & Mom Williams to be their guests to visit the Titanic "The Artifact Exhibition" at Union Station. This is the 100th anniversary of the sinking of the Titanic. Betty Ruckman (daughter) and her daughters Anna & Natalie also attended. After viewing all of the artifacts the group had lunch at Crown Center. While at lunch we saw Victor LaViola & Ellen Wolf, who informed us they had "walked" over for lunch. It was a wonderful way to spend the day.

Bill Rinke informed Mom Williams that he is now driving a trolley at Branson, MO. He is "the driver" for Trolley #2 which is on the corner of South Commercial Street & Atlantic Street in Historic Downtown Branson. He says he drives from noon to 6pm Monday thru Friday. So when visiting Branson be sure to look for Bill and let him show you the downtown area. Oh yes, this is a free service too.

Wednesday evening, May 16th, Charlie & Mom Williams attended the graduation of grand-daughter Anna Ruckman at the Community of Christ church in Independence, MO. Then the following Saturday they attended a graduation party at the Ruckman's home. Anna graduated from Lee's Summit (MO) West High School and has accepted a four year scholarship to Park University. A young boy (Bank) who was from the same area of Thailand as Anna and both were adopted at the same time when they were 2½ years old, came to the party from Louisiana with his parents. We did not tell Anna he was coming so she was really surprised! They had not seen each other since they left Bangkok (15+ years ago) but have kept in touch by Facebook. Several KCR members were at the party, Grandpa & Grandma Williams; Uncle Keith & Aunt Cheryl, Charlie, Henry & Isabella; Aunt Jennifer, Seven & Indi; the Smiths (Charlie & Sharlene) and Jordan Hill, who escorted Anna's good friend, Morgan to the party.

This is the way the “pro’s “do it. Doug Hitchcock caught airing up tires with “special” air in grid at the May 20th Solo Event held at MCC in Independence, MO. So that’s how you drive so fast. Photo by editor. Copies may be obtained for a price Doug.

Two Solo Racers enjoy the great food again provided this year by Jojo. We couldn’t race without this super lady and her good cooking. Many thank you’s go out to her. (photo by editor)

Event 3 and 4 was a combined event with the Kansas Region, and we used the Solo Pad at Heartland Park for the 2 day event. The Course Design was by Ron Williams, and was very similar to the 2006 Nationals Course design. The first day was Chaired by Jim Eisinger and Joe Tasler as Co-Chair, and we had a total of 99 drivers. The following day was Chaired by Frank Wietharn and Ron Williams as Co-Chair and there was 98 drivers in the Sunday Event. Weather was fantastic both days and everyone had a great weekend of autocross.

Event 5 was back at MCC and Chaired by Joe Tasler, with Henry Rompage as the Co-Chair and Course Designer. This was Henry’s first course design using the MCC facility, and he did a wonderful new design. Lots of really nice comments from the drivers about the slalom elements that were included on the long straight. All total, we had 85 drivers at event 5, with 13 entrants in the Street Tire Class, and 5 drivers in the Novice Class.

April 28, we had our Tire Rack Street Survival Class at the MCC Facility. Total of 19 students signed up for the all day class, which included class room training, driving on the Skid Pad at MCC and Emergency Lane Changes on the back straight. Great weather for the day long training.
