The Chicago Labor Relations Community Pays Tribute to Martin H. Malin

The **Industrial Relations Research Association – Chicago Chapter** (soon to be the Labor Employment Relations Association) is hosting a reception recognizing the many contributions made to labor-management relations by Martin A. Malin.

As a Professor at Illinois Institute of Technology-Chicago Kent School of Law and renowned mediator and arbitrator, Marty Malin has made innumerable contributions to the Chicago Labor Relations Community. For many years, Marty has been teaching Chicago's fledgling labor and employment attorneys, hosting the annual Federal and Public Sector Labor Law Programs as well as creating innovative programs, such as his founding of the Institute for Law in the Workplace.
