Dear Chuck,

This brochure is used by Arch. diocese of Mpls.-
St. Paul. I thought it might be something
that could be used here.

Joe B. is looking toward Catholic U. and
scholarship. I have mixed feelings about his
being away from his support system where he
has done so well, but we are exploring
living situations and recovery groups in the D.C.
area.

Hope you are well - it's time for lunch!

Sincerely,

Chris

Dear Fr. Lienert,

This letter is to request two things: a rent payment to St. Agatha Parish, and a food and housing adjustment.

As you know I will be living at St. Agatha's. Last summer the Archdiocese paid four hundred dollars a month for my living in the house St. Agatha owns. Would you ~~reinst~~ ^{For May} _{only} ~~reinst~~ate that payment to them with the May payroll, May 31, 2002. That should continue through the August payroll on the 30th of August.

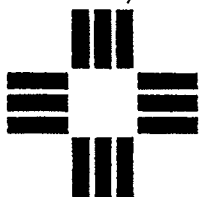

As I have been living at Divine Word College residence in Washington DC, the Archdiocese has been paying my room and food and housing expense to them. However, since I am now in Portland, would you kindly reinstate food and housing payments to me personally at the above address, beginning with the May payroll on the 31st of this month and ending with the August 30th Payroll.

Thank you for your assistance.

Sincerely yours in Christ,

SUBJECT: Father Joseph Baccellieri's Psychological Evaluation
DATE: August 31, 1992

I have included a copy of Marsha Hedrick's psychological evaluation of Father Baccellieri. On the basis of this evaluation, I recommend that Father Baccellieri be placed in an alcohol treatment program at Springbrook or Cottonwood. I have spoken with Father Baccellieri about this and he is anxious to begin such a program. I believe it will be best to wait until this therapy is complete before choosing an individual therapist because some additional needs may come out during alcohol treatment which might affect the nature of the aftercare and individual counseling.

Chemical Dependency

Fr. Baccellieri picked
up a copy of this
9/4/92.

Welcome,

As you prepare to enter into our Chemical Dependency Unit, we want to inform you about our procedures. This checklist will assist you in packing and making your travel arrangements. There are some items we want you to bring, and other supplies and procedures to review. In order to provide safety to you and your peers in our treatment process, we ask that you **NOT BRING CERTAIN ITEMS**. Hopefully, the following checklist will aid you in your preparations.

We anticipate your arrival. We want you to know that we are here to provide a safe therapeutic environment for you to work on your issues. Our program/process is based on the 12 Steps and Traditions. **RECOVERY BEGINS WITH THE FIRST STEP.** We promise to walk with you on your unique journey into recovery.

CHECKLIST:

1. Bring sport shoes (i.e., tennis, hiking, running)
2. Bring casual clothes (i.e., jeans, slacks, sweatshirts, sweaters, jackets, shorts (no sexually provocative clothing is permitted, such as: short-shorts, tights, halters, tanktops, or spandex)). Sweatsuits for workouts.
Do not bring any tee-shirts with slogans, symbols, or sayings.
3. Bring a swimming suit (again no provocative bikini types or french cut suits).
4. Bring a raincoat or jacket (it usually rains in the afternoon in New Mexico, especially in the Spring).

C. Please DO NOT BRING The Following Items:

1. Radios, tape recorders, tapes, novels, or other books. Cottonwood will furnish you with books, tapes, and recorders, etc. as therapeutically needed.

Dear Fr. Baccellieri,

Thank you for your letter of January 1, 1993, with which you submitted your formal resignation as pastor of St. Francis parish, Sherwood, and St. Cyril mission, Wilsonville. Please accept my gratitude for your priestly service to the people of the Sherwood and Wilsonville parishes during your tenure as pastor, and of course, for your priestly ministry for over 25 years in the Archdiocese of Portland.

In your letter, as in our conversations, you renewed your expression of hope and desire to continue to serve the Archdiocese in another priestly assignment after your period of more intensive therapy is completed. This of course would be my hope and prayer as well.

For the time being, however, as I indicated to you during our conversation, you are restricted from engaging in any priestly ministry, including the celebration of Mass in public. As I have previously mentioned, you may offer Mass privately, or as a concelebrant in a Mass celebrated in the chapel of a religious community of men.

I commend you for your faithful cooperation in the work of your therapy program. Please be assured of the support of my daily prayers, and of my ready availability should you wish to visit with me.

With my best wishes for God's blessings, Joe, I remain

Sincerely yours in Christ,

Most Reverend William J. Levada

St. Cyril Letter

January 22, 1993

My Dear Friends,

During the past five and a half months I have been on medical leave due to stress related illness. I have made progress and feel better. I thank you so much for your continued prayers and your many cards and letters. You have given me much comfort.

However, because my treatment is ongoing and will continue for an indefinite period of time, I will be unable to resume my duties as pastor. I have, therefore, decided to resign ^{as pastor of} St. Francis and its mission & St. Cyril parishes.

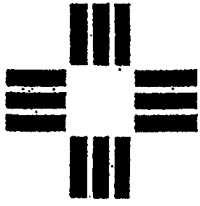

I do so with sadness, yet, also with thankfulness and joy. With sadness, because I will not be with you and will miss you. With thankfulness, because of what has been accomplished over the past four and a half years: the establishment of St. Cyril as self sustaining and independent from St. Francis, the new office building, the LIFT program, the Stephens ministry, an excellent staff and the remodeling of our Church, and ~~I could go on and on~~. I also leave with joy for the many happy times we've shared together and also, because I can look ahead to regaining my health, so I can continue to serve the Lord Jesus ^{as his priest} in you, His people.

With thanks to all of you for your kindness, prayers and support during this difficult time of my life, I remain faithfully yours in Christ,

Father Joe Baccellieri

SUBJECT: Conversation with Chris Eskeli about Fr. Baccillieri
DATE: July 6, 1993

I spoke with Chris Eskeli about desire to meet with Fr. Baccillieri. I told him that he had met with Archbishop Levada and made this request. I spoke with Chris about the circumstances of his last meeting with He had stated that he was not looking for an apology and that he had already forgiven Fr. Baccillieri.

Chris said that he would speak with Fr. Baccillieri about this meeting and discuss it from a therapeutic viewpoint. He also said it would be helpful to him as a therapist to be present at the meeting. In this way he could help Fr. Baccillieri process whatever discussion went on. I said that we could find out whether or not this were possible.

Dear Chuck:

As per your letter of January 27, 1994, please know that I am in total support of Father Baccellieri's gradual return to a full and active ministry. There is no reason why he cannot begin weekend work as soon as the need arises.

The plans you outlined for his return to a parish in July are also ones I support.

Father Baccellieri and I have agreed on the following conditions:

No long-term counseling with either adolescents or adults. This does not prevent him from working with groups of people, however, such as marriage encounters or marriage preparation work. My concern would be those counseling sessions with individuals that would lead to ongoing contact.

Father Baccellieri has also agreed to continue his individual therapy on a weekly basis with me, as well as participation in weekly group therapy, along with ongoing 12-Step work.

Should he continue the excellent progress he has made up to this time, it is my assessment that his chances of acting out in an inappropriate manner are minimal.

Sincerely,

Chris

MEMORANDUM

TO: Archbishop Levada
FROM: Father Charles Lienert
SUBJECT: Father Joseph Baccellieri
DATE: March 16, 1994

I believe all of the requirements have been fulfilled to permit Father Baccellieri to return to some restricted pastoral ministry. I have enclosed a letter sent by Tom Dulcich informing Mr. Eskeli's attorney of our intent to reassign Father Baccellieri.

Dr. Eskeli is in agreement with our basic plan for Father Baccellieri - that he will begin by doing supply work on weekends or other specific occasions in parishes. In July he would be assigned as a parochial vicar in a parish. He will continue living at the Austin House. Dr. Eskeli also sees no problem in Father Baccellieri assisting with Marriage Encounters on a periodic basis.

The following conditions need to be followed by Father Baccellieri.

- 1) He must continue therapy with Dr. Eskeli.
- 2) He must continue participating in therapy or 12 step groups at the direction of Dr. Eskeli.
- 3) He should continue living at Austin House for the sake of support and accountability during those times when he is not working.
- 4) He may not be involved in counseling.
- 5) He may not work directly with children or teenagers.
- 6) Until he is assigned as a parochial vicar, he should inform the Vicar for Clergy of the places and times where he provides assistance.

I have drafted a response to his attorney, Mr. [redacted] letter. I have also drafted a letter from you to Father Baccellieri informing him that he may resume priestly ministry under the appropriate restrictions.
