I would like to work on the following Committee(s):

Architectural Committee - The Architectural Committee's function is to administer and review all written requests for architectural alterations, changes and additions that may affect the exterior appearance of any dwelling, lot or common area. In addition, the Committee is responsible for proposing Architectural Standards and Guidelines, which aid homeowners in their planning of proposed projects and maintain architectural harmony in the Community.

Facilities/Pool Committee - This Committee's purpose is to develop programs and procedures related to maintaining and improving the common area facilities. The goal being to advise and assist the Board of Directors in the formulation and enforcement of rules of operation and order by governing use of the Association's facilities/pool and promote and preserve the safety, security and value of the Community, its' residents and property.

Landscape Committee - The Landscape Committee works with the Board of Directors, Management and Landscape Contractor in the management, maintenance and improvement of the common area landscaping. In doing so, the Committee's goals are to promote and preserve the safety, security and value of the Community, its' residents and its' properties.

Clubhouse Committee - The primary function of this Committee is to advise and assist the Board of Directors in maintaining and improving the clubhouse. Along with the formulation and enforcement of rules of operation and order by governing the use of the Association's Clubhouse.

R.V. Lot Committee - The purpose of this Committee is to advise and assist the Board of Directors In reviewing rental applications, assist with the formulation and enforcement of rules, which maintain, promote and preserve the safety, security and availability of the Recreational Vehicle Lot.

Rules and Regulations/ Parking Committee - The purpose of this Committee is to advise and assist the Board of Directors in the formulation and enforcement of rules of operation and order which serve to enhance the general welfare, safety, interests and property values of the Association and its members along with maintaining and preserving the safety, security and availability of the Community's streets and parking areas.

Social Committee - The function of this Committee is to develop social and recreational programs responsive to the needs of the Community creating social interest in the Association.

I would accept Chairmanship of the Committee I am volunteering for: At this time In the future

I would be interested in serving on the Board of Directors: At this time In the future
