## Rambling Around the Lake with the President...

Hello Everyone! Hope everyone enjoyed the beautiful weekend. Unfortunately, I spent only a few hours at the lake on Saturday night, but I did get to enjoy the fireworks. My Ramblings took me all over the map. It felt like that anyway. I went from New York City to Erie to Pittsburgh across the state to State College and to Harrisburg and finally making it back to Lake Winola on Thursday Night. What a five day stretch! I am exhausted but looking forward to Happy Hour tonight (Friday). Happy hour will be from 5 to 10 with live entertainment from 6 to 9. Come on over to the Pavilion and enjoy the night with our friends and bring a friend.

I did witness history this Saturday. The entire Clancy Clan went to Yankee Stadium. The timing of the day and game were perfect. At exactly 2:00PM on Saturday afternoon Derek Jeter, shortstop for the New York Yankees (for you non-basball fans), hit his 3000 hit making him the 28th person in MLB history to reach the milestone. The excitement in the stadium was unbelievable. It will be a great memory for all of us, including my Dad (who took me to my first game on August 11, 1980 when Reggie Jackson hit his 400th home run of his career) and my son Jack (who was attending his first major league game, not to shabby).

On Sunday, I departed for Erie. Believe it or not I took the long way (I think I did anyway). I traveled the majority of

## Winola Beverage

Beer: It's not just for breakfast anymore!

John Noreika

the trip on Route 6. Wow! What a drive. I can say we have a beautiful state. The rolling hills of the lush green mountain side made the drive easy. A photo opportunity at every mile.

If you have a day, I encourage you to take the drive up Route 6 and maybe stop at Towanda. Towanda could be the most patriotic place I have ever been. Main Street (I must have driven 75 Main Streets) in Towanda, has a picture of every Veteran from Bradford County on a Light Post.

### Rambling Notes

**Remember, Dinner Dance in two weeks. Tickets will be available at Happy Hour or by calling a director.**

**Water Carnival in three weeks. Good Luck with preparation and construction of Floats and Night Displays.**

**Send in your adventures and tell us what we are missing.**

Until Next Time, Keep Rambling My friends!

Jimmy

# Lake News

Congratulations to Mr. Edward Hawk on 50 years of active service with the Lake Winola Fire Co. Ed joined the company in July, 1961. Ed presently serves as 1st Assistant Chief, Trustee and Fire Prevention Officer for the local schools. He also has run the "Big Six" wheel at the annual carnival for several years. Thank you for your service to the Lake Winola community!

- Samantha Rosenstein, July 8th
- Sara Rosenstein, July 10th
- Stacy Ross Purcell, July 11th
- Jacob Rosenstein, July 14th
- Michael Pusateri, July 15th
- Carol Howell, July 15th
- Jean Foster, July 15th
- Florence Ferrugie, July 16th
- Paul Thomas, July 18th
- Sydney Smith, will be 16 on July 21st.

On Sunday morning the Clarke grandchildren, Molly and Jenna DiLiberto, and the Stevens children, Hannah and Shawna Stevens, played princess and performed a play for their families.

## State Officials Lease Waterways

The July 12, 2011 issue of The Times-Tribune, announced that thousands of acres PA owned land near rivers and lakes have been opened to Marcellus Shale natural gas drilling. Water from the lakes will be sold to drilling companies. This water is used for hydraulic fracturing (also known as fracking). This allows the natural gas to escape from the shale by injecting chemical-laced

water. In the past few years, more than 3,300 wells have been drilled across Pennsylvania. Although the industry claims this is a safe process, the Environmental Protection Agency has its doubts, as do many individuals who have been negatively impacted by the drilling. Approximately 14,000 acres of the commission's land and water holding as potential drilling sights.

To read the entire article, visit [thetimes-tribune.com](http://thetimes-tribune.com) and click "gas drilling."

What do you think about all of this? Let us know! [Winola.News@lakewinola.org](mailto:Winola.News@lakewinola.org)

## Spotlight on: The Bob Snyder Family

The Snyder family has enjoyed Lake Winola since Bob's grandmother took his mother to the lake on family outings in the early twenties. Lake Winola was always his mother's favorite spot, and she was able to enjoy it until her passing last November at the age of 95. We estimate it to be over 90 years.

Starting in 1948, the Snyders rented one of Van Dorricks cottages on Lake Street. In 1951 they purchased cottage number 769 from John Young. The cottage is located on what was then Dolph Street.

Bob's earliest memory of the lake was being "caught" by a fisherman after he fell in the lake in 1948. He was four years old, and glad the fisherman didn't practice catch and release. Life preservers on children around the lake were still far in the future.

Bob participated in many Regattas and Water Carnivals when he was young. He has some pictures as early as 1952 and a special "Billy Beer" trophy given to his mother for participation in one Water Carnival.

His two girls, Gail and Robin, spent all summers at the lake from their birth to the time they left for college. Now they visit, like Bob, as time permits. Gail has one son, Corwin, 10. they live in the historic town of Dickyville, Maryland. Robin has two children, Joesph, 5 and Emily, 3. They live in Allentown.

The whole Snyder family will visit the lake for Water Carnival. Despite their busy schedules, they have never missed a Water Carnival, proving their love for the event.

Bob is a past board member and president of the LWCA. He remembers the decision to apply for a grant to install sewers. Overfield Township would not approve spending the money to apply for a grant. At the time, it was an experimental sewage treatment plant. The board voted to fund the application (He believes it was \$300), and go ahead with the project. It was the last funding given by the federal government to pay for such a project. The directors and members who carried that forward are responsible for the lake we have today. Prior to sewers, it was a summer ritual for directors to walk the lake front to find overflowing septic tanks and cajole owners to make repairs.

Has everyone started their training for the 2nd Annual Dr. Thomas E. Zukoski Memorial 5K Run/Walk? This year's event will be on August 6th at 9am starting at the Lake Winola Firehouse. Last year we had an unbelievable turnout of over 250 runners and walkers enjoy the event, and we hope for another successful race this summer. All proceeds from this race will help fund a memorial scholarship at The Scranton Preparatory School established in the name of Dr. Thomas E. Zukoski. The race begins at the Lake Winola Firehouse, winds counter-clockwise partially around the lake, and takes you up and down through beautiful and scenic rural roads, where my father put hundreds of miles on his running sneakers over the years. Please find the attached registration form and direct any questions to meganzazar@yahoo.com. See you all on race day!

*On July 6th, Kristen Lewis and her happy helpers transformed the pavilion into a delectable Italian restaurant. The sights, smells, and sounds could trick anyone into thinking they'd just stepped into an authentic Italian kitchen. At 5:30, just a half hour after the dinner began, the pavilion was packed and the servers were busy bees! Here are some of the many happy customers from last Wednesday's dinner. Thank you to all who attended, and a big thank you to Kristen Lewis and her volunteers whose hard work most certainly paid off!*
