## Nancy Young Elementary PTA 2014-2015

### From the PTA President...

Dear Young Families:

Welcome back to another great year at Nancy Young!

My name is Mari Walbridge and this is my second year serving as NYE's PTA President. I live in Oakhurst North with my husband, Scott, and our two daughters, Madeline (5R) and Katherine (4H). This will be our 6<sup>th</sup> year at NYE and we love being part of such an amazing school and community.

We are lucky to have a very active PTA here at Young and there are so many ways that you can get involved. First, sign up and join the PTA. If you haven't had a chance to sign up, contact **Michelle Mitchell** at [mitchell.michelle@sbcglobal.net](mailto:mitchell.michelle@sbcglobal.net) for more information. Then please look through all the amazing activities we support on the PTA website.

The PTA has many fun programs and events planned for this year. Thank you to **Kim Philo** for kicking off the school year with an exciting *Ice Cream Social*, along with the school's *Meet and Greet*. It was a wonderful opportunity for the kids to meet their fellow classmates and teachers for the 2014-15 school year. Also, thank you to **Tracy Bludgen** and **Karen Welsh** for selecting some great apparel for the upcoming year. Many of you stopped by the table at the Social to check out and purchase a few items. The PTA will also be selling apparel at Curriculum Night on September 22nd, so come and check it out!

Thank you to **Zena Weir** and the **Staff Appreciation Committee** for the *Welcome Back Breakfast* on Friday, August 29<sup>th</sup>. The food was excellent and it gave the teachers and staff a chance to mingle. Thank you to **Jen Weisman**, **Sherri Nugent** and **Hilda Rivera** for helping with the morning buses and drop off that morning too.

I would also like to introduce the theme for this year's Reflections program. It is "**The world would be a better place if....**" We are excited to have **Kelly Coyle** back as our Reflections chair. Young students will have an opportunity to submit an entry representing the theme through literature, dance choreography, photography, film/video production, music composition and/or visual arts.

One of my favorite things about Young is the parent and teacher involvement. Nancy Young is fortunate to have fabulous parents, teachers, and staff. Our parents are happy to give of their time to benefit our kids. Our teachers oversee a variety of clubs and organizations that provide our children with a wide range of opportunities. This devotion and effort helps to make our school the best that it can be.

Please join us on **Wednesday, September 10<sup>th</sup>, at 9:15 am** in the MPR for our first PTA meeting of the year. I am looking forward to another fun and exciting year at NYE!

---

Dear Parents,

Welcome Back! We are very excited to be at school with our students and families. We are truly looking forward to implementing all that our staff has learned in summer graduate studies and professional development classes into our daily instruction. We are delighted to continue partnering with the Young community to support our students and challenge them academically.

The Young staff is dedicated to the educational success of Young children. Thank you for your active involvement in your child's education. We are appreciative of your continued support and participation in the Young learning community. Please know that we are proud of all the great things occurring at Young School. We have many exciting events and programs planned to enrich the academic and cultural lives of our students. We welcome you and invite you to join us! Please do not hesitate to contact the school via phone or email regarding any comment, question, or concern that you may have. It is our wish to directly address the needs of all our students and families.

This school year, District 204 teachers are beginning to implement the ELA (English Language Arts) common core standards. As we begin instituting ELA standards, teachers will shift their attention to the following areas:

1. **Building knowledge** through **content-rich nonfiction**
2. Reading, writing, and speaking grounded in **evidence from text**, both literary and informational
3. Regular practice with **complex text** and its **academic language**

Additional information about the changes with ELA standards can be found at the following link. [http://www.corestandards.org/assets/CCSSI\\_ELA%20Standards.pdf](http://www.corestandards.org/assets/CCSSI_ELA%20Standards.pdf).

At Young, we believe that all students have the right to be treated with respect. If you or your child has concerns with teasing, bullying, or any other inappropriate comments or behavior, please contact the classroom teacher, Dr. Bell, or Ms. Morgan, so that we may address the issue. Please know that we take these situations seriously. All students are valued members of our school community and we want all of our students to feel that their learning environment is safe and accepting. We feel privileged that you entrust us with your children and we value the time that we have with them each day.

Here's to an outstanding school year!

Sincerely,  
Ms. Morgan

Parent Curriculum Night is **Monday, September 22nd**. Curriculum Night is a Parent Information Night in which teachers discuss and review curricular expectations and procedures for your child's classroom. The information that is shared during this event is not developed to engage children. We encourage parents to arrange for child care so that you can thoroughly listen and participate in this event without distraction. Please note that child care is not available and the LMC will be closed.

**Parents may attend Session I or II.** Times for Curriculum Night are as follow:

\*\*Session 1: 6:00 pm – 6:40 pm

\*\*Session 2: 6:50 pm – 7:30 pm.

**PTA:** During Curriculum Night, the PTA will be located in the MPR. Please take a few minutes to stop by their tables. The PTA will be available to answer questions, sign-up committee and parent volunteers, sell Young Spirit wear, talk about Market Day, and take membership applications. Please stop by to visit the PTA before, after, or in between sessions.

**PARKING:** Handicapped parking is available in the front circle drive. Please do not block these spaces. Also, please note there is no parking permitted where a red curb is painted. Fire lanes, walk ways, and sidewalks should not be obstructed for safety reasons.

# SPECIALS NEWS!

Hello Nancy Young Families!

The first few weeks of school have been wonderful and I am looking forward to spending this year with our exceptional students, parents, and staff. Young Dolphins of all ages have had their LMC Orientations and book checkout has begun. The students were so excited to get back into the swing of things, and we love hearing about their new interests! Kindergarteners are checking out one book at a time. First through 5<sup>th</sup> graders are allowed to have two books checked out at a time. This year, we welcome a new LMC Assistant, Mrs. Gendy Jaramillo. She is a District 204 parent, and is incredibly invested in the needs of our students!

Kindergarten, First, and Second Graders are getting ready for our author visit on September 10<sup>th</sup>. Eric Litwin, former author of the *Pete the Cat* series, will be visiting us with his new book series about the Nut Family. We are very excited to meet him!

Our LMC works to nurture a lifelong love of reading and learning, but don't forget all the fun. We hope to see you this year.

## Nancy Young Parents

I am excited to be part of Nancy Young's staff again! I have been part of Young's Art Staff in the past and now look forward to working with your children again. I will be here on Wednesday afternoons, Thursdays, and Fridays this year. I will also be at Brookdale Elementary for the first half of the week. I have been working in the District since 1998 and Art is my passion!

My goal is for your child to enjoy and grow creatively in the art room. "The Ultimate freedom for creative groups is the freedom to experiment with new ideas" (Daniel H. Pink).

Sincerely,  
Deb Gelso  
[deb\\_gelso@ippsd.org](mailto:deb_gelso@ippsd.org)  
Brookdale & Young Elementary School

Welcome Back!

My name is Mr. Maldonado and I am your child's PE teacher. This is my 15<sup>th</sup> year at Nancy Young and my 20<sup>th</sup> year in education. Joining us this year down in the gym is Mr. Griffin. Mr. Griffin comes to us in his 15<sup>th</sup> year of teaching with a wealth of experience from Georgetown Elementary. He will be at Nancy Young on Thursdays this year.

After a great start of the school year, Nancy Young students hit the ground running in 2014. Students are learning the many benefits of participating in Physical Education. A strong Physical Education program includes the development of the following traits: social skill development, problem-solving, sharing, good sportsmanship, perseverance, respect, and becoming good friends with other Young Dolphins. Essentially, our long term program goal is to allow your children to flourish into life-long independent learners.

Becoming physically fit is also a major goal of your child's Physical Education program. Nancy Young students engage in cardiovascular exercise, muscular strength, muscular endurance, and flexibility every time they are in P.E. At home, practicing exercises like curl-ups, sit-ups, movement, and stretching will reinforce our message at school while at the same time improving your child's overall fitness. All it takes is 60 minutes a day!

PE occurs 3 times per week. In order to achieve success, your child needs to have the correct P.E. shoes, a positive attitude and the willingness to give their best effort.

If you are interested, you may visit and see what your child is about to working on in P.E. class. You also can look at our EdLine page to find information about current and future events that will occur down in the gym. As always, if there is anything you need, please phone or e-mail either of us and we will be glad to assist you. We look forward to working with your family this school year.

Sincerely,

# SPECIALS NEWS

Hello Nancy Young Families!!!

My name is Anthony Pape and I am one of your music teachers this year at NYE. This is my third year in District 204 and I could not be happier to be here. It is my pleasure to introduce Claire Fenton who will be joining us from Gregory Middle School every morning. We are both very excited to get this school year going and we have planned many wonderful musical experiences for your students.

This year, students will have multiple musical opportunities outside of the classroom. Fourth and Fifth grade students may choose to participate in choir and drum ensemble. Both of these ensembles have a different designated meeting time and students are encouraged to explore and experience each. It is wonderful to know that your child's district offers so many wonderful musical experiences and I encourage every family to take full advantage!!! If your student is not in fourth or fifth grade, we still offer plenty of opportunities for performance. Make sure to check our school calendar for any upcoming grade level concerts.

Overall, I am so very excited to be part of such a wonderful academic family here at Nancy Young Elementary School. I look forward to seeing each of you at our Curriculum Night. Please feel free to email me at any time with your questions, concerns, or celebrations at [Anthony\\_Pape@ipsd.org](mailto:Anthony_Pape@ipsd.org).

Thank you for your support of the Arts!!!  
Anthony Pape

My name is Claire Fenton and I am thrilled to be teaming up with Mr. Pape in teaching Music at Young this year. I have been a music educator in District 204 for the past 21 years. I graduated from the University of Illinois with a B.S. in Music Education. I have my Master Degree in Music Education from VanderCook College of Music. Some of my favorite things are: playing my clarinet, running, cooking, spending time at the beach, and bike riding.

I teach at Young each morning and then travel to Gregory Middle School each afternoon. My goal for each student is to become tuneful, beatful, and artful. What does that mean? Tuneful: to have tunes in their heads and learn to coordinate their voices to sing those tunes. Beatful: to feel the pulse of music and how that pulse is grouped in either twos or threes. Artful: to be moved by music in the many ways music can elicit an emotional response.

To quote a teacher (John Feierabend) I admire: "Children who learn to be tuneful, beatful, and artful before they leave elementary school will grow to be adults who benefit from what music can offer. Those who go on to sing in choirs or play an instrument will do so in a more musical manner. Those who choose not to sing in choirs or play an instrument later will still be enriched by being able to share music in their daily lives."

I want to say thank you for the warm welcome from the Young Elementary staff, students, and community!  
Claire Fenton  
[claire\\_fenton@ipsd.org](mailto:claire_fenton@ipsd.org)

Hello! My name is Joe Mills and I am new to District 204. I am one of the two art teachers at Young Elementary this year. If your child has art on Monday or Tuesday, they will have me. As I told the students at the beginning of the year, I love art and I am excited to learn more about them this year.

Our big focus for the year will be building student creativity. Not every student taking elementary art will choose art as a field of study or profession. However, every student will need some level of creativity with whatever they choose to do in the future. The projects we work on this year will teach students artistic skills as well as how to think creatively to solve problems. I look forward to working with them this year!

Let me know if you need anything else.

Thank you!

## WALK TO SCHOOL DAY

Please join us on **Wednesday, October 8th**, for *Walk to School Day*.

This program began in Chicago in 1997 and is sponsored by the Partnership for a Walkable America. Today, Walk to School is a program that has participants from all 50 states. It encourages students to walk to and from school on this day. Students who are unable to walk, due to distance, will be provided activities during recess so they can still achieve this goal. The goal of this program is to promote safer streets, encourage healthier habits, and work toward cleaner air by walking and biking.

Please contact Erica Jannisch at [erica.jannisch@comcast.net](mailto:erica.jannisch@comcast.net) or Jen Weisman at [jenweisman@comcast.net](mailto:jenweisman@comcast.net) if you are interested in helping out on this day. Volunteers will be needed during the students' recess times.

Thank you, and we look forward to a great day of Walking!

## REFLECTIONS

The PTA believes all children deserve a quality arts education and encourages students to pursue artistic expression through participation in its annual arts **Reflections Program**. The program offers students the opportunity to create works of art for fun and recognition. Students in preschool through grade 12 are encouraged to create and submit works of art in six areas:

dance choreography

film production

literature

musical composition

photography

visual arts (includes art forms such as drawing, painting, print making, and collage)

For more than 40 years, the program has encouraged millions of students across the nation and in American schools overseas to create works of art. The Reflections Program was started in 1969 by then Colorado PTA President Mary Lou Anderson.

Students participate in the Reflections Program by submitting entries to the Nancy Young PTA.

The theme for this year's Reflections Program is:

# The World Would be a Better Place if.....

Deadlines will be announced through ListServe, the NYE Website (under the PTA tab), as well as in future newsletters. The deadline for submission is in early October 2014.

If you would like more information on the Reflections Program, please refer to the Young website, or contact Kelly Coyle at [coylein99@sbcglobal.net](mailto:coylein99@sbcglobal.net).

# NANCY YOUNG SPIRIT COUNCIL

Nancy Young Spirit Council met for an introductory meeting on Thursday, August 28th. Spirit Council is open to 5<sup>th</sup> grade students interested in developing leadership, organizing and promoting activities, and providing community service.

Members will be required to conduct themselves as positive role models for the school. The cut-off for enrollment is 35 students for the 2014-2015 school year.

Members of Spirit Council will meet once a month on Wednesdays after school. Applications for prospective members were handed out at our informational meeting on August 28th. For those who could not attend the meeting, forms were handed out to the students by Mrs. Ryan or Mr. Maldonado before the meeting took place.

# ART AWARENESS

The Art Awareness Committee will be hosting an **Orientation Session** on **Thursday, September 11, at 9:15 a.m. in the MPR**. A brief training on how to present the project in the classroom will be held and sign-up sheets will be available for new and returning parent volunteers. Parents will be given a tour of the artist packages and materials for presentation. Art Awareness schedules will be posted on the NYE website after the meeting. Presentations in the classrooms will begin in October.

Please contact Liz Gudgeon at [egudgeon13@yahoo.com](mailto:egudgeon13@yahoo.com) or Sue Ward [sueuspv@hotmail.com](mailto:sueuspv@hotmail.com) for more information or to volunteer. Art Awareness is a great way to meet your child's classmates and have fun with art.

# HELPING HANDS

The Helping Hand Program was established in 1967 through combined efforts of the Naperville Junior Woman's Club, School District 203 & 204, and the Naperville Police Department.

The purpose of the Helping Hand Program is to have adult assistance available in an emergency situation, such as a child being lost, frightened, injured, or ill. The police department encourages Helping Hand households to display the Helping Hand sign year-round as a crime deterrent similar to the Neighborhood Watch Program

You can help support this program in two ways: (1) Tell your child about the Helping Hand Program and (2) Volunteer to be a Helping Hand household. Helping Hand is a volunteer program and can only succeed and be of benefit to our children if you are willing to help.

Information and materials for the Helping Hand Program will be coming home during the month of September. Please contact Erica Jannisch at [erica.jannisch@comcast.net](mailto:erica.jannisch@comcast.net) if you are interested in becoming involved in this program.

Important  
DATE!

## SEPTEMBER PTA MEETING

Please join us for the first PTA Meeting of the year on **Wednesday, September 10th at 9:15** am in the multipurpose room.

We look forward to seeing you there! Siblings are welcome to attend.

## SCHOOL PICTURES

School Pictures will be taken **Tuesday, September 16th, 2014**. Look for more information to come home soon.

## DOLPHIN DEPOT

Dolphin Depot is back for another school year! The NYE PTA is again offering a "school store" for our students that is stocked with inexpensive school supply items for purchase.

The Dolphin Depot is set up in the Multi-Purpose Room on (most) Tuesday mornings from 8:50am – 9:05am for our Young Dolphins to shop for supplies and other fun items. Prices for most items range from \$0.05 to \$2.00. We carry useful supplies such as pencils, pens, mechanical pencils and lead refills, highlighters, notebooks, folders, and erasers. We also have an ever-changing assortment of fun products, such as novelty pens, mini erasers, puzzle erasers, sharpeners, markers, colored pencils, pencil toppers, pencil grips and more.

**The Dolphin Depot will open for business on Tuesday, September 9th.** Please check the schedule below to see which week your student's grade is invited to shop!

Send your student with some pocket money (that perhaps they have earned!) so they can practice adding amounts, counting change, and being responsible with money. SMALL bills are greatly appreciated and we **DO NOT** accept checks or credit cards.

- September 9th: First date - all grades
- September 16th: 3rd-5th
- September 23rd: K-2nd
- September 30th: 3rd-5th
- October 7th: K-2nd

Please be sure to remind your student to check in with their classroom teacher **BEFORE** going to the Dolphin Depot to avoid being marked tardy.

The Dolphin Depot is looking for volunteers. The time commitment is Tuesdays from 8:45am to approximately 9:30am. We need at least **two** more consistent people on our team. Even if you are available only two times per month, we can create a rotating schedule. If you are interested, please contact Bari Baskin at 630.235.2879 or at [bari@timestopsphotography.com](mailto:bari@timestopsphotography.com). Dolphin Depot starts Tuesday, September 9th.

Do you know a volunteer in our schools who deserves special recognition? BMO Harris Bank is once again sponsoring the Volunteer of the Month program for the upcoming school year. Each month, a deserving volunteer will be honored and his or her school will receive \$1,000.

Any District 204 staff member or community member can nominate a volunteer. The online nomination form is located at [www.ipdsd.org/volunteer](http://www.ipdsd.org/volunteer). The first volunteer for the coming school year will be honored in September. Each nomination submitted will be kept on file for consideration during the 2014-15 school year.

More information about the program, including the nomination form, is at [www.ipdsd.org/volunteer](http://www.ipdsd.org/volunteer).

## Nancy Young PTA General Information and Committee Descriptions 2014-2015

### WELCOME TO OUR 16TH YEAR AT NANCY YOUNG ELEMENTARY!

To all our returning PTA members, thank you for your continued support. For those new to Nancy Young, here is an opportunity to become a member of a great organization, the Nancy Young PTA! As a Young PTA member, a portion of your fees support both the Illinois PTA and the National PTA, the largest child advocacy group in the country. The remainder of your fees, along with money earned through PTA fundraisers, is used to enrich your child's educational experience at Nancy Young. Our PTA sponsors activities such as field trips, room parties, social events, educational enrichment programs, and school assemblies. The PTA also supplies items such as assignment notebooks, dolphin folders, birthday pencils, and ISAT testing snacks.

The 2014-2015 membership year runs from July 1, 2014 through June 30, 2015.

Please take a moment to read over the volunteer opportunities and select any committees that interest you. Your support is vital to the success of our programs. Be sure to fill out the *Nancy Young PTA Membership and Volunteer Sign-up Form* and return it to school with your check made payable to the *Nancy Young PTA* in the amount of either \$8.00 (single membership) or \$13.00 (family membership). Keep a copy as a reminder of your volunteer selections. The choice to volunteer is yours. Membership includes a Nancy Young Student Directory published in the fall.

**THANK YOU AND WELCOME TO NANCY YOUNG ELEMENTARY!**

## BOX TOPS

Box tops for Education has helped America's schools earn over \$475 million since 1996. You can earn cash for Nancy Young by clipping Box Tops coupons from hundreds of participating products. Box tops also offers easy ways to earn even more cash for our school online.

Our Spirit Council has graciously offered to handle the cutting and counting of the Box Tops labels this year. So PLEASE, start sending in your Box Tops labels in your child's back pack. Each classroom will have a box for the labels. Once a month, Spirit Council will collect those labels and get them ready for shipment. Spirit Council will keep everyone updated on our progress in the monthly newsletter.

We will be offering monthly incentives to the children who bring in the most Box Tops! We will keep you posted! Thanks for all your support!
